

13 November 2017

Dear Parents/Carers,

Christmas Market 2017

This year's market is looking great! After their success last year, we will again have Year Six running their own stalls, a Children's craft room and also storytime with Santa. You will be able to prebook our Santa session from Monday 20 – Friday 24 November. This was extremely popular last year- with most time slots selling out! The storytime will be £2.50 per child and the sign up sheets will be in the main reception area.

We have some great stall holders: Tim's Bricks selling Lego Minifigures; Made by Jenny selling personalised framed gifts; Flamingo Papiere offering Christmas cards, wrap, advent calendars and gifts; Dawn Donovan selling aromatherapy, skin care and candles; and local beekeeper Peter Russell selling bee and honey products.

Hot food will be offered by Odori & Saponi by Romeo- once again offering wood-fired pizza and pasta dishes.

Christmas Raffle

Thanks to everyone who has already sold their raffle tickets! If you don't need yours please do return them so that we can pass them on. See a full list of the raffle prizes on Mailings.

Nativity & Christmas Clothing

Following parent's suggestions, we have decided to run an after school sale of nativity outfits and Christmas clothing on Friday 17 November. Please do donate any unwanted outfits, Christmas jumpers, etc this week. These can be left in the main reception. We will also have a tuck shop and school uniform available. We hope this will enable everyone to save some money as well as raising school funds.
