Dear Parents and Carers,

Events in London and Manchester

Yesterday in our whole school assembly we respected the one minute silence to remember those that have been affected by the recent appalling terrorist attacks in London and Manchester. During assembly the children demonstrated that they have clearly had time to talk to you at home and reflect upon what has happened and showed great maturity and empathy. We were especially proud of how the children were able to discuss the ways in which they were kept safe at home and at school and who they could go to if they needed support or wanted someone to talk to. We do however understand that it is a very difficult thing to talk to children about such events.

At Farnborough, the children's safety is of utmost importance. We have stringent emergency plans and protocols which have been in place for many years. We have however, reviewed these in light of the current climate and are confident that all of our policies are fit for purpose. As you are aware, we have some school visits planned over the next few weeks. We research our venues extremely carefully and are positive that the locations are safe places to take the children. With regards to our planned school trips for Reception to Godstone Farm, Year One to Leeds Castle, Year Five to Sayers Croft and Year Six to the Isle of Wight; they will all go ahead as planned. If you have any concerns or queries, please do not hesitate in speaking to us.

As a school community our thoughts go out to the family and friends of everyone affected by the dreadful occurrences in London and Manchester over the past few weeks.

Kind regards,

Mrs Ashley

Mrs Browne

Head of School
