Dear Parents and Families

I am writing to inform you of my decision to step down as Head Teacher of Farnborough Primary School at the end of the Summer Term 2017.

Over the last twelve years it has been a privilege to lead such an outstanding school. The journey together has brought about changes which are in evidence today, not only in the building and curricula opportunities, but also in the ethos and culture within the school. This makes it such a special place and one which focuses on the individual, emphasising self-belief and an 'I can do' attitude, helping both child and adult achieve.

Each day has brought something new with exciting challenges and together; we have created a lovely environment for our children to grow and flourish. I have been fortunate, throughout the years to be supported by a strong, caring staff and governors whose commitment to our children and families is amazing.

The Headteacher post will be advertised nationally, and we will keep you updated of the recruitment process. Mrs Browne will continue in her role as Head of School. She has chosen not to apply for the substantive Headship post due to family commitments but remains fully dedicated to her role at Farnborough. Mrs Ashley feels that being so close to retirement she cannot commit to a full time Headship post and will return to her role as advisor for Mathematics.

I am extremely proud of the achievements of the school over the last twelve years and it will be a wrench to leave the post of Head teacher, although my connection and over view of Farnborough Primary will continue in my role within Nexus Education Schools Trust, as the school is a member of the Multi Academy Trust organisation.

Thank you all, for your friendship and support over the years. It has been pleasure and an honour to be the Head teacher at Farnborough. I will cherish the many happy memories and the wonderful successes we have all achieved.

Kindest Regards

Paula Farrow  
Head Teacher
