St. Olave's Saturday Morning Computing & Robotics

Are you interested in Computing?

☼ Would you like to build, programme and control a functioning robot?

☼ Would you like to learn how to create animations

☼ Or build interactive 3D games?

If your answer is yes, you are warmly invited to attend our Saturday Morning Computing & Robotics Club.

During Autumn Term 2017 we will be running two courses for children in Years 5 & 6 who would like the opportunity to build and learn to programme a Vex Robot to move and respond to various challenges. Courses available are either:

Course 9	September: 16, 23, 30, October: 7, 14	5 week course - £75
Course 10	November: 4, 11, 18, 25, December: 2	5 week course - £75

The Cost: £15 per week (which covers one child + one accompanying adult + refreshments)

The Payment: In full - collected on first session of course - Cash only please

The Time: Saturday Mornings 9:30 am – 12:30 pm

The Place: St. Olave's School, Goddington Lane, Orpington. 01689 820101

Places are **very** limited to ensure each child has exclusive use of a robot for the duration of the course **and will be issues on a first come, first served basis.**

If your child is interested in this unique opportunity, the completed application (below) should be returned via: afarrell@saintolaves.net or post: Mrs A. Farrell, St. Olave's Grammar School, Goddington Lane, Orpington Kent. BR6 9SH
