Number line (0-20)					
Coins					
Tokens					
100 square					
Dice					
Counters (blue/red)					
1-100 Grid					
0-10 Cards					
Place value chart (1, 10, 100)					
Time table / Division Cards					
Place Value Chart (0.01-10000)					
Roman Numerals Chart					

- Do you think the Maths Packs were a good use of PTA money? Each pack costs £5 and the PTA spent £1,200 last year providing the packs.

Yes	No	Not sure

- Do you think Maths Packs should be provided to Reception children this year?

Yes	No	Not sure

- If you received a pack in Reception, Year 1 or 2, would you like to have updates to the pack in year 3? For example, place value charts, Roman numerals chart and time table/division cards?

Yes	No	Not sure

- How would you improve the maths pack?

- Is there anything else you would like to feedback to the PTA?

Thanks for your help answering this questionnaire

Please return it to either the PTA mailbox outside the school office, or email to:
