E-safety workshop - Years 3 - 6

Dear Parents and Carers

E-safety is a regular feature of the curriculum work we do throughout the school from Reception to Year 6. To gain a greater understanding of this area, we have organised an E-safety workshop for parents and carers on Wednesday 1 February in the school hall from 7 – 8pm.

The workshop will focus on the following three areas:

- How we educate our children regarding staying safe online
- Giving an update into the online world of children
- Helping to keep children safe online at home

As you will appreciate, we live in a digital age where many young people can communicate with others through a variety of different media. This presentation will enable parents to explore and understand the huge variety of applications and websites out there today, particularly those that our young people use. It will also offer ideas to ensure our children stay safe online.

We want to encourage as many parents as possible to attend this presentation as E-safety is becoming increasingly relevant in today's society.

Please complete the reply slip below. If there is a high demand for places we will organise another workshop.

Yours sincerely

Mrs K Panayi

Deputy Head Teacher , E-safety lead

To the School Office

I would like(maximum of 2) places for the E-safety workshop on Wednesday 1 February from 7 – 8pm in the school hall.
