

Improve your problem solving skills!

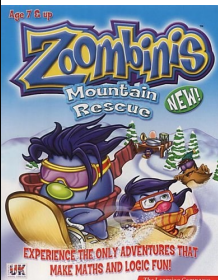

New Thursday ComputerXplorers club at Farnborough Primary open for registrations now!

ComputerXplorers

ComputerXplorers leads the way in providing technology-based activities that are both inspirational and aspirational. Our unique brand of engaging and educational programmes are always hands-on with plenty of fun and interaction. We encourage 'e-confidence' in children in an age when computers and technology are essential life skills.

Zoombinis Mountain Rescue

Help the Zoombinis (little elf-like characters) to rescue their lost comrades who may have been captured by the mysterious Boolies! You will need to form rescue parties and work through a series of rescue missions to find and rescue the lost Zoombinis. Even after saving some lost friends, the work is not complete. New and more challenging missions lay ahead for the Zoombinis. With nine exciting logic puzzles to solve and three different levels of difficulty, you are bound to find this software to be continuously engrossing and thought provoking.

Register by Friday 9 February

Please note that this will be a popular course so to save disappointment book online early.

Improving your child's ICT skills

Our weekly Parent Updates **will let you know what your child has been working on in each session** and will include further activity suggestions to help continue their learning at home.

These are sent out shortly after each session.

To ensure you receive your Parent Update, please provide your email address (in capital letters) – we won't give this to any nasty spammers just the lovely people at ComputerXplorers.

To register go to www.bromleyanddartford.computerexplorers.co.uk and pay online by credit or debit card (small admin fee) or **complete the slip below and return to the school office with your payment (online bookings take preference, first come basis)**

Please write in **BLOCK CAPITALS** - it really helps!
