

Dear Parents/carers,

Secret Gift Room Mon 5 March 2018

We will be running a secret gift room to enable the children to choose and wrap gifts to bring home for someone special in their lives, perhaps their mum, grandmother or aunt? This event is held ahead of Mothering Sunday. Children are asked to bring in £2 for the PTA on the day and to hand this to their class teacher.

Children will be given time throughout the school day to select a gift to bring home for their mum, or another special person if they wish (one gift per child).

Many thanks to all of the volunteers who have supported with the organisation of this event, and all those who have agreed to support on the day.

We hope the children enjoy this lovely event.

Kind regards,

Gail Hayes

PTA Chair
