Tuesday 20th February, 2017

**Dear Parents,**

*After school cookery lessons at Farnborough primary school - 2nd term*

**I am pleased to announce that from Tuesday 6th March 2018, The Cooking Shed will be running their second series of after school cookery classes for all juniors (age 8yrs+). If you'd like to enrol your child on to the class, read on for further info...**

Regan Anderton, owner and tutor at The Cooking Shed, will be running a 'learn to cook the world' programme of cookery classes - a series of six, one hour lessons where a different country is chosen each week, and dish that's representative of its national cuisine is made. Children will get to have a taster of the food made by the tutor in the class, and take home what they've made and learnt to enjoy.

Classes will take place within the school, from 3.30-4.30pm on the following dates...

**Tues 6 March - Spanish**

Chorizo baked paella

**Tues 13 March - Italian**

Homemade pizza

*(PLEASE NOTE: there will be no class on Tues 20 march)*

**Tues 27 March - Indian**

Indian potato spiced cakes

**Tues 17 April - French**

Sausage cassoulet

**Tues 24 April - Greek**

Lamb kofta & flat breads

**Tues 1 May - British sweetshop!**

Sherbert, raw ball chocolate mice, peppermint creams

To enroll your child on to the second 'learn to cook the world' series of classes, please email [regan@thecookingshed.com](mailto:regan@thecookingshed.com) with the subject line: **'Farnborough primary - series two'**. Please include your child's full name, age, year group, and allergies or intolerances, and your name and contact number. The total cost for the six classes is £60, and payment should be made either via bank transfer, or cheque made payable to The Cooking Shed Limited before the classes begin - Regan will contact those of you who are allocated a space to arrange payment with further info.

Please note that we only have 13 spaces on this second series of classes, and preference will be given to children who completed the first series, so after this, spaces will be allocated on a first contact basis. We will happily then keep your details to contact you when the next series of classes start, to ensure we can enable as many children as possible to take part. For more information about The Cooking Shed, visit [www.thecookingshed.com](http://www.thecookingshed.com) or call Regan on 07525 763198.

Yours sincerely  
Regan Anderton  
The Cooking Shed Limited
