

Friday 2<sup>nd</sup> March 2018

Dear Parents/Carers,

We are so sorry for the huge disruption that the severe weather conditions have caused you all over the course of this week. As always you have been so supportive in collecting your children and maintaining good communication with us.

As the children have missed out on vital learning, each class page has suggested work for the children to do over the next few days. If they do complete it, please can it be brought into school to be marked and put into their school books. Please do not worry if they do not complete it all.

Please find below the 'MyMaths' login details for all the children in the school should your child be set work via the site.

Login - farnborough2

Password - square212

If you have any questions regarding the work set please do not hesitate in speaking to any members of staff on Monday morning.

Please keep safe and warm.

Many thanks for you continued support.

Miss James
