*Tuesday 17th April, 2018*

**Dear Parents,**

*After school cookery lessons at Farnborough primary school - NEW term!*

**I am pleased to announce that from Tuesday 8th May 2018, The Cooking Shed will be running a new series of after school cookery classes for all juniors (aged 8yrs+). If you'd like to enrol your child on to the class, read on for further info...**

Regan Anderton, owner and tutor at The Cooking Shed, will be running a 'learn to cook the world' programme of cookery classes - a series of six, one hour lessons where a different country is chosen each week, and dish that's representative of its national cuisine is made. Children will get to have a taster of the food made by the tutor in the class, and take home what they've made and learnt to enjoy.

Classes will take place within the school, from 3.30-4.30pm (children are welcome to wait in the classroom whilst the tutor sets up from end of school time) on the following dates...

**Tues 8 May - Mexican**

Oven baked veggie chilli

**Tues 15 May - Korean**

Korean meatballs

**Tues 22 May - Vietnamese**

Rice noodles with smoked mackerel

**Tues 5 June - American**

Homemade burgers & potato wedges

**Tues 12 June - Greek**

Spinach & feta pide

**Tues 19 June - Chinese**

Pork & cabbage gyoza dumplings

To enroll your child on to the new 'learn to cook the world' series of classes, please email [regan@thecookingshed.com](mailto:regan@thecookingshed.com) with the subject line: **'Farnborough primary - series 3'**. Please include your child's full name, age, year group, and allergies or intolerances, and your name and contact number. The total cost for the six classes is £60, and payment should be made either via bank transfer, or cheque made payable to The Cooking Shed Limited before the classes begin - Regan will contact those of you who are allocated a space to arrange payment with further info.

Please note that we only have 13 spaces on this series of classes, and spaces will be allocated on a first contact basis. We will happily then keep your details to contact you when the next series of classes start, to ensure we can enable as many children as possible to take part. **For more information about The Cooking Shed, visit [www.thecookingshed.com](http://www.thecookingshed.com)** or call Regan on 07525 763198.

Yours sincerely  
Regan Anderton
