

Sharpen your 3D Design Skills!

New Thursday ComputerXplorers club at Farnborough Primary open

ComputerXplorers

ComputerXplorers leads the way in providing technology-based activities that are both inspirational and aspirational. Our unique brand of engaging and educational programmes are always hands-on with plenty of fun and interaction. We encourage 'e-confidence' in children in an age when computers and technology are essential life skills.

3D Design with SketchUp

Students will learn how to use SketchUp to build amazing 3D models of anything they want, such as mansions and castles, or race tracks, skate parks and space ships. Students will learn how to draw 3D shapes and develop them into simple models, then progress onto more sophisticated techniques. They will then learn how to import ready-made components to enhance their projects, and create an animation showing the viewer around their 3D model.

Key information

- ✓ Open to children in years 4, 5 & 6
 - ✓ Classes will run each Thursday from 3:20 pm to 4:20 pm for **7 weeks**
 - ✓ Sessions will run on 17/05 – 24/05 and 7/06 to 5/07

Improving your child's ICT skills

Our weekly Parent Updates **will let you know what your child has been working on in each session** and will include further activity suggestions to help continue their learning at home.

These are sent out shortly after each session.

To ensure you receive your Parent Update, please provide your email address (in capital letters) – we won't give this to any nasty spammers just the lovely people at ComputerXplorers.

Please write in **BLOCK CAPITALS** - it really helps!

To register please go to www.bromleyanddartford.computerexplorers.co.uk and pay online by credit or debit card (small admin fee) or complete the slip below and return to the school office with your payment (online bookings take preference)

NO LATER THAN MONDAY 14 MAY
