## TERM ONE — YEAR SIX:

### Welcome

Dear Parents and Carers,

Welcome back! We hope you all had a fabulous Summer break.

We have lots to look forward to this term. We will be helping the children to work hard to ensure they achieve their full potential in all areas and have a fantastic time being role models for the rest of the school.

Working within the Year 6 team for the Autumn term is: Mr Atkinson, Mrs Browne, Miss Pattison and Mrs Brett.

### Books and Authors

#### Suggested Authors

- Horrible Histories
- Antony Horowitz
- Jacqueline Wilson
- Malorie Blackman
- Terry Pratchett
- Philip Pullman
- David Walliams
- Michael Morpurgo
- Mark Twain

### Mathematics

As **mathematicians**, we will be learning about number and place value using eight digit numbers. We will be using approximation and estimation to check results.

**Skills and topics covered:** 4 operations, percentages, measures, geometry and fractions.

We will be applying these skills through problem solving which will help them to develop their reasoning skills.

There are various websites which can help your child practise their mathematical skills: [www.topmarks.co.uk](http://www.topmarks.co.uk), [www.math-aids.com](http://www.math-aids.com), [uk.ixl.com/math/year-6](http://uk.ixl.com/math/year-6)

### Overview of Topic — World War 1

We will be studying World War One and whilst it was a horrific conflict it is more than just fighting in the trenches. It was considered the first total war where nations turned all their resources to help the country fight and so everyone was involved whether sitting in a trench or living back home.

We will be looking at how WW1 affected everybody and the changes it created in society. A significant part of the topic will involve respect and remembrance, especially because of the anniversary of the armistice.

### English

Our first book for the year will be **War Horse by Michael Morpurgo**.

We will be exploring the story, relating it to our topic, and creating many different genres of writing from it. We will create newspaper reports, write fact files about key information, create and act out scripts for key scenes as well as creating our own stories based around the ideas in War Horse.

#### Key Skills Covered

- Using speech to convey character and advance the story
- Using paragraphs to organise ideas
- Selecting appropriate vocabulary and grammar for the writing genre, e.g. when to use contracted forms, using passive verbs to present information
- Confidently using a wide range of punctuation, accurately
