Mrs C Browne B.Ed Hons Head of School

12 November 2018

Dear Parents,

On Wednesday 7th November 2018 four of our Year 6 students Simone Baker, Alexander Blaney, Lev Mann and Niamh Townsend represented Farnborough Primary School in the National Young Mathematicians Award at Explore Learning in Orpington.

We are very pleased to inform you that as top scorers of the competition, they have now been selected to for the regional finals! Well done!

We also received very positive feedback about the children as follows:

'We were really impressed by the way they approached the challenges as a team, they scored full marks in the team work section! They were able to discuss as a group and delegate tasks well. They showed evidence of working systematically throughout, which we were really impressed with. They were only 2 solutions away from securing full marks for the final challenge! We hope they can apply all the skills they used in round one to the new challenges they will see in round two!'

We are exceptionally proud and hope you will all join us in wishing them lots of luck for the next round that will be held on Wednesday 5th December 2018.

Yours sincerely

Miss James
Head Teacher

Mrs Browne
Head of School
