

Needle Craft Club

Needle Craft Club is pleased to announce that it will continue during the first half of the Summer Term for pupils in Y3 at Farnborough Primary School. Needle Craft Club is for children, who love using their art skills and love craft.

During the next term we have couple of projects to choose from as a present for someone special leading up to Father's Day. An option will be a little angel doll and we will try to learn hands crochet and using hook for crochet.

Children will be taught how to cut out pattern pieces and master simple hand sewing techniques and stitches. Skills can be successfully built upon each week and crafters have an opportunity to explore a wide range of quality fabrics and haberdashery. All equipment and materials are provided.

Every child is advised to attend all lessons in order to maximise the outcome of their final project.

Lessons will run from 30th April until 21st May
