

# Farnborough Primary School

TERM THREE — YEAR ONE:

HAPPY EASTER

## Welcome Back!

Dear Parents and carers,

We hope you all had a relaxing break. We are looking forward to an exciting and very busy Summer term!

I can't believe how quickly the Summer term has come around and are very much looking forward to the rest of the year with our fantastic classes. Thank you for your continued support.

Mrs Bushell

## Uniform

Please remember that children should be in correct uniform with a P.E. kit in school and all items of clothing must be named.

## Water Bottles

Most of you have already provided water bottles for your children. If you have not done so, please could you send your child in with a clear, named water bottle.

## Reading Folders

Reading folders need to be in school everyday with paper books changed on Mondays, and Bug Club books on Wednesdays. Please remember to write a comment about your child's reading.

## Dates for your Diary

23rd April—Summer Term starts

7th May—PTA Scoot & Skate

27th May—31st May—**HALF TERM**

10th June—14th June Year 1 Phonics screening

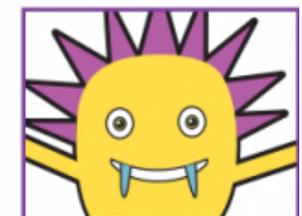

19th June—PTA Infants disco

20th June—Infants Sports Morning

28th June—Year 1 Dinosaur Day

19th July—Last day of school

## Phonics Screening

### English

As **readers and writers** we will continue to focus on spelling, handwriting and writing sentences this term. We will look at a variety of types of writing: non fiction recounts, information texts, letter writing, fiction and pattern and rhyme in poetry.

### Mathematics

As **mathematicians** we will continue exploring numbers, including counting and sequencing. We will be developing mental strategies for addition, subtraction, multiplication and division. We will also be looking at fractions of shape and number.

### Topic

As **geographers and historians** our first topic will be learning about **Castles and Conquerors** we will be looking at the location and types of castles in the United Kingdom

### Topic

As **geographers and historians** our second topic will be learning about **Dinosaurs Discovery!** We will cover the Triassic, Jurassic and Cretaceous periods. We will also look at different types of dinosaurs and where they have been found.

### PE

As **athletes** will continue to learn ball skills and games. We will also begin to practise for our Infants Sports Day.

This term P.E. days may vary as we are lucky enough to have outside companies teaching us cricket and tennis.

Each class will have PE twice a week. Please ensure that PE kits are in school at all times and that all items are clearly labelled.

### Science

As **scientists** our first topic this term is **seasonal change**. We will observe weather associated with the seasons and how the length of the day varies.

Our second topic this term is **lifecycles**, we will observe a variety of invertebrates and their structure as well as the life cycle of a butterfly.

### Art/DT

As **artists and designers** we will be observing pictures of castles closely and using pencils and charcoal to carefully draw them. We will also create our castles in the style of the artist Paul Klee.

### RE

As **good citizens** we will continue learning about Judaism and begin to learn about Hinduism.

### Music

As **musicians** we will be learning how to identify a beat within a piece of music. We will also work on composing our own pieces of music.

### PSHE

In **PSHE** we will be looking at **relationships**. We will discuss different ways others can be teased or bullied how we can be good friends.

### Computing

In **computing** we will continue to explore the world of **coding** and learning new terminology such as 'algorithms'.

### Support at Home

Homework is given on a Friday to be completed over the weekend and returned on Monday.

You can help at home by practising counting forwards and backwards in 2s, 5s and 10s; telling the time to the half hour and quarter to and past.
