Dear Parents/Carers,

As I am sure many of you are aware, some key members of the current PTA committee are stepping down in June. There are two committee members planning to continue but more volunteers are needed to form a committee. The outgoing volunteers will be very happy to offer handover and support.

Having worked in a number of schools, I have to say that I have never had the privilege of working with such an active and committed PTA before. The PTA that we have had at Farnborough for a number of years has shown the school community great commitment and drive in ensuring our children were provided with wonderful experiences, enrichment and resources.

To name but a few, we have been so fortunate to have had some wonderful events such as: The Circus, Circus Skills workshop, theatre visits, the fabulous Christmas Markets, Scoot and Skates, Discos, Pamper Evenings, Inflatables Day, Beautification Day, Zumbathon and Karatethon and Secret Gift Rooms.

With the funds raised, the PTA has contributed hugely to the enrichment experiences for our children and really supported in pulling the whole Farnborough community together. Their tireless efforts to support us as a school will be truly valued by us for many years to come. Without their efforts we would not have the iPads, Interactive Whiteboards, the school hall sound system, Bromley Music Service across Key Stage Two, the wealth of books in the school and class libraries to name but a few invaluable resources for our children.

Over the past two years I have had to ask the PTA to fund resources that up until this point the school could have afforded. However, due to huge cuts in Education funding, we have had to rely more and more on the financial support from the PTA to ensure the children at our school are provided with opportunities such as BYMT.

It is with all this in mind that I am asking for any parent volunteers that are thinking that they would like to continue the amazing work of the PTA to please pop in and see me. I really do feel that a huge amount of work that the current PTA has put in will be lost and the wonderful events that our children have become so used to attending will just become a happy memory of something 'we used to do at Farnborough'.

Yours sincerely

Miss A James
Head Teacher
