Hosted by

Ade Adetosoye OBE

Interim Chief Executive
Bromley Council

We want to hear from you about what needs to happen in Bromley to make your child or young adult feel included across education, health and their social lives.

These Q&A sessions will be jointly facilitated by the Council, NHS Bromley Clinical Commissioning Group (CCG) and Bromley Parent Voice.

Bromley parents and carers are invited to come along to the first of six sessions to ask Bromley Council's Interim Chief Executive, about the issues that are affecting our families and to hear directly from the leaders from both the Council and the CCG, the leaders of local health services.

Each monthly event will focus on a different topic.

The theme for this month is

Inclusion
