3 June 2019

Dear Parents/Carers,

Many of you will be aware that over recent years there have been significant funding cuts in real terms to the education sector, nationally and locally. As a consequence you may have noticed over the past two years there have been various cut backs to our school; noticeably a lot fewer members of staff.

Our ethos at Farnborough Primary School is to provide the children and the families an outstanding education in a caring and nurturing environment. However, with the increasing cuts to the education budgets and rising costs imposed upon us; continuing to offer the range of opportunities and experiences for the children will become increasingly difficult.

Whilst the school has been taking action to continue to reduce costs, the financial position of the school over the next three years is a real concern. Unfortunately the cuts for the next academic year do include the class BYMT service being entirely cut, all teachers including the Head of School and Head Teacher will have teaching roles from next September and the range of SEND support we can afford to offer will be significantly reduced.

Due to the funding forecast, our three year projections look very worrying; therefore as a Local Committee we feel that we would like to meet with our families to discuss the current situation and how we can continue to provide the children at Farnborough with the outstanding education they deserve, not only now, but in the future.

Please complete the slip overleaf and indicate if you would be able to attend either of the coffee mornings to discuss the contents of this letter. We really value your opinions and ideas and would like to see as many of you at the coffee mornings as possible. If you are unable to attend either of the meetings, please add your views or comments to the form provided.

Yours Sincerely

Miss A James & The Local Committee
