Dear Parents,

Summer Fair and future events

Your PTA Committee cannot thank you enough for the fantastic response to our request for help with the Summer Fair. Your donations, your help, your enthusiasm have just overwhelmed us. We had a wonderful turnout on the day and raised approximately £1,800. A final figure will be circulated asap.

We have a special thank you to:

- Terry Seager for being our fantastic DJ during the event;
- The Farnborough May Queen, Mia Kirk, for cutting the ribbon and officially opening the Summer Fair;
- Dance Off Studios for entertaining us so superbly;
- and each and every business and individual who donated a prize for our raffle.

The feedback so far has been very promising. The best being that the Summer Fair had a lovely atmosphere. We wanted it to be fun and it was.

Please let us have your feedback, whether it be good or bad, via:
