Dear Parents

This academic year we hope to have some exciting events for both parents and pupils. The Christmas Market will be going ahead on Sunday, 24th November. We also hope to hold another event this term and more information will follow.

PTA events for this term have been issued in the school's welcome back letter this week. Future events that are already agreed are:

Tuesday, 29 October 2019 - Children's Disco  
Friday 17 January 2020 - Pub Quiz at the Woodman  
Saturday, 11 July 2020 - Summer Fayre

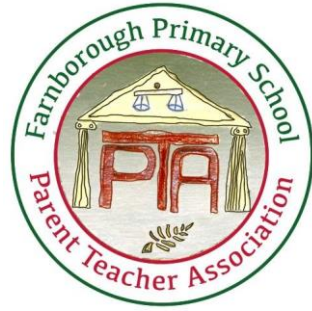

We have received many suggestions from you all. Attached to this letter is a list of suggested events and we would like you to vote for the ones that you would like us to organise for 2019/20. Unfortunately we are unable to have fireworks on the school premises as this is not allowed under the Nexus regulations.

Our next PTA meeting is on Tuesday, 10 September. To accommodate both staff and parents we are having two meetings on that day, one with staff at the school at 9am and the second at The Woodman at 8pm. Please come along to the evening meeting to give us your views on upcoming events.

A uniform sale will be held on Thursday, 12th September and more details on this will be circulated on posters and via facebook. As well as uniforms we would like to be able to sell Christmas Jumpers, Elf outfits, Disco outfits and World Book Day outfits. We all know the expense incurred when buying these items. If you have any of these outfits that your children have grown out of or no longer want, please donate them to your PTA. We will sell them prior to school events to help keep parents' costs down.

Finally, we would like to give our huge thanks to Gail Hayes and Nicola Truong for their invaluable work as the previous PTA Chair and Secretary. The funds raised during their time have made a significant impact within the school.

Kind regards,  
June Dean  
PTA Chair

Please choose three events and number them one to three, with one being the event you would most like us to arrange. If you have other suggestions please add them at the end of the list.
