Dear Parent/Carer,

This is a reminder to return your child's completed nasal flu vaccination consent form to the school if you have not already done so.

Please complete the consent form fully indicating if you are consenting.

It is important **if declining** vaccination that you complete your child's name, date of birth and address on the form with parental signature on the declining section of the vaccination form, so that we can remove your child's name from the list.

It is an NHSE requirement that we are able to demonstrate that we have offered vaccination to all those who are eligible.

If you need to discuss further please do not hesitate to contact the Immunisation Team on the number above

Kind regards

Immunisation Team
