

# Needle Craft Club

Needle Craft Club is going to continue and will be getting ready for the most celebrated season of the year.

The club in Farnborough Primary School will be opened for children from Y3 and Y4 only.

Skills will be successfully built on each week and crafters will have an opportunity to explore a wide range of high quality fabrics and haberdashery. All equipment and materials are provided. The children will be taught how to cut out patterns and master simple hand sewing techniques and stitches. The club is suitable for children who took part last year, as they will have the opportunity to progress and work on new and exciting projects. Every child is advised to attend all lessons in order to maximise the outcome of their final project.

Needle Craft Club is for children who enjoy using their art skills and love craft.
