

Dear Parents,

Christmas Market 2019 Update

What's on

We have stalls selling crackers, jewellery, local honey products, books, cards, glass items, personalised items, wreaths, toiletries and many more.

The children can enjoy the candy floss, face painting, craft room and storytime with Santa together with fun stalls like the Golden Cracker, Christmas Ping Pong, Hook a Bauble, Lucky Dozen which sit alongside the more traditional tombolas. Stem Sparks have joined us again for even more fun.

Have a bite to eat and a drink with burgers, hotdogs, mulled wine, tea, coffee, sweets and cakes to enjoy.

Year six will be running their own stalls and we look forward to seeing what they are doing this year.

Volunteers

If you haven't yet signed up to help and would like to, please let your class rep or ourselves know. Many thanks to all those who have supported and volunteered already.

Christmas Poster Design

Congratulations to Elishka who won our Christmas poster design. Her design will be seen throughout the community as the posters and on the programmes. All of the poster designs were wonderful and we will be displaying the runner up posters on the school fence prior to the Christmas Market.

Jolly Jam Jars

Well done also to Ella, Benjamin, Charlie, Carter, Isabel, Annabella, George, Freddy, Xavier and Jacob who won the jolly jam jars Competition.

We are looking forward to seeing you all at the Christmas Market on Sunday 24 November.

Kind regards
Your PTA
