Years 1 and 4

Dear Parents

Zoo Lab Experience

On Tuesday 26th November 2019 we have arranged for the experts from ZooLab to visit Farnborough Primary School so that the children in Years 1 and 4 will have the exciting opportunity of learning about our current topic areas.

Year 1 will embark on a learning adventure and explore Africa with a Zoolab tour guide. They will learn about the fantastic large creatures in Africa and meet some smaller creatures from this continent. Using the children's imagination and creativity, they will be encouraged to explore the world around them and also learn about African habitats, the equator, conserving the rhino and even to say hello and good bye in Swahili!

Year 4 will venture off on an exciting journey through the Rainforest, where they will be able to get hands-on with real rainforest animals! As well as this amazing opportunity, the children will also learn all about the different rainforest layers that these animals live in, who and what they eat, and how they're coming under threat. By the end of the session we hope that all the children will have had a memorable experience which will provide an important stimulus allowing them to really deepen their knowledge about life in the steamy tropics.

There is a charge of £5.00 towards the cost, which can either be paid via SIMS PAY, our online payment system, or by cash/cheque to the school office. Voluntary contributions may be requested but no pupil may be disqualified from taking part by parents' unwillingness to pay. If more than a few parents are unwilling to pay voluntarily then the day will have to be cancelled.

Please complete and return the slip below indicating the method of payment.

Yours sincerely

Mrs Browne, Miss Pattison, Mr Vallois and Mrs Murray - Class Teachers
