

Needle Craft Club

Needle Craft Club is going to continue in Farnborough Primary School and is open for children from Y3 and Y4 only.

Skills will be successfully built on each week and crafters will have an opportunity to explore a wide range of high quality fabrics and haberdashery. The children will be taught how to cut out patterns and master simple hand sewing techniques and stitches. The club is suitable for those who have never attended before, and also children who took part last year, as they will have the opportunity to progress and work on new and exciting projects. Every child is advised to attend all lessons in order to maximise the outcome of their final project.

Needle Craft Club is for children who enjoy using their art skills and love craft.

In Term 3 children can choose from simple projects to rather challenging project which need more sewing skills. The main project is a bookmark. Beginners will be encouraged to use plastic canvas and later on they will use cotton fabric. In the meantime we will keep working on crochet using hooks and making crochet bead necklace.
