Miss A James BA PGCE Head Teacher

Mrs C Browne B.Ed Hons Head of School

4 March 2020

Dear Parent/Carers,

Due to the current health concerns, please be assured that we are reiterating the importance of basic hygiene as a school. We have talked with the children about the importance of washing hands regularly, how to wash them and the length of time that is advised. Additional soap and hand washing facilities will be available in most classrooms. We will be promoting the regular handwashing method as advised by the NHS.

Until further notice, children will be allowed to bring in their own hand gels, should you wish to send them in with your child. Please could you ask your child to inform their class teacher if they are bringing in hand gel. It is the child's responsibility to administer the hand gel themselves.

We will update you regarding any further developments as and when required.

Yours Sincerely,

Miss A James  
Head Teacher
