Dear Parents

## Reception Class

### Online Learning Platform

I hope you are all well and keeping safe. By now we have spoken to most of you regarding home learning and how you are getting on. Please rest assured, however you feel about how you are getting on at home with the stresses of cooking, cleaning, teaching, holding down a job, doing the food shopping (my new least favourite part my week) and all the other things that we are trying to juggle within the confines of our own four walls...you are doing an AMAZING job!!!! Please do not put too much pressure on yourselves to live up to the expectations that are on social media, and most importantly, please remember we are here to help. Just email or call us.

As stated in my last letter, we are trying to refine ways for parents to send the children's work to the school on a daily basis. As I am sure you can imagine the 'admin.office' email address receives 100's of emails an hour, so we are now moving to a more efficient filing system of emailing.

The email address for the Reception Class parents to use is:

[receptionlearning@farnborough.bromley.sch.uk](mailto:receptionlearning@farnborough.bromley.sch.uk)

Please use this email address with immediate effect. If you want to make a general enquiry or just email your concerns and worries about the school work or life in general, then please still feel absolutely free to still email the admin address.

On Monday we will have stories read by the staff added onto the website. As the days and weeks go by, we will continue to refine and improve how we set the work. I know many of you are beginning to run out of resources. Please rest assured that we are working on a system to get resources to you by the end of next week.

Thank you as always for your amazing support and kind words. Please look after each other and take care.

Love and best wishes,

Angela James  
Head Teacher
