

Hello Elves!

It's been so lovely hearing from so many of you this week and I have enjoyed seeing your amazing work and fantastic photos. I am so impressed how busy all of you have been. Keep it up! Remember our new class Email address is yearonelearning@farnborough.bromley.sch.uk.

As it's been so lovely hearing about you and your families at home, I thought you may like to hear some messages from the Year One team.

Mrs Murray

Dear Elves,
Hope you are all well. I miss you all and hope to see you very soon.
Best Regards,
Mrs Gohil

Hi Elves,
Whilst we have been away I have been in the garden and I have been trying to grow some fruit and vegetable seeds, I have strawberries, peas, carrots and lots more. I am hoping that sometime soon I will be able to eat them all up! I will tell you when we are back at school if the plants grew or not, have your fingers crossed for me.

I am looking forward to the day I see you all again and to see the work you have done.

From Miss McDonnell

A huge 'Hello' to the lovely Elves class.

I hope you are all having fun and enjoying your learning at home during these strange times. I really miss seeing all your happy faces, and I especially miss, listening to you all reading so beautifully to me. I am very much looking forward to you all, telling me about your time at home, once school opens again. So for now I am sending you my very best wishes and a very big smile.

Miss Stockwell

Hi Elves,

I am missing seeing your lovely, smiley faces every day and all of us being together at our amazing school. Since last seeing you all, I have re-discovered my bicycle as it has been resting in my shed over the last few years with not much use. For my daily exercise, I am loving going out for a bike ride with my family and exploring my surroundings. It's such a great way to get around and also keep me fit and well. I can't wait to see you all, but for the moment stay safe and well.

Best Wishes

Mrs Murray

Welcome back Elves!

I have lots of activities
planned for you this week.

Let's get busy Elves.

Green group
Friday's
Maths Answers

Think together

1. There are 5 groups of 2 ice cubes.
2. B has equal groups because there are 2 plates with the same number of cupcakes on each. 4 cupcakes on each.

Challenge 1

1. There are 5 groups of 4 candles.
2. There are 5 groups of 6 lollies.
3. There are 3 groups of 2 gloves.
4. There are 4 groups of 2 hats.
5. There are 4 groups of 2 scarves.

Challenge 2

1.A shows equal groups because there are the same number of counters in each group.

Challenge 3

2 a) Draw dots to make 3 equal groups.

b) Draw 3 groups of  .
Do not make equal groups.

3. Oliver has equal groups.

Challenge 4.

One day I walked into a classroom and I spotted some objects on some tables. I saw unequal groups of computers. On one table there were 2 computers and on another table there were 3 computers. On one table, there were 3 groups of 5 books. Lastly, on another table I noticed 2 unequal groups of tablets. 1 group of tablets with 1 tablet and another group with 2 tablets.

Draw your groups below.

Equal groups

Unequal groups

Challenge 5

- 1 Joe is right because there is double 10.
- 2 Sara is right because there are 10 groups of 2
- 3 Poppy is right because there are 2 groups of 10

Challenge 6

1. 3 groups of 1 makes 3
2. 3 groups of 2 makes 6
3. 4 groups of 3 makes 12
4. 5 groups of 3 makes 15
5. 6 groups of 3 makes 18

Spellings

This weeks spellings are posted on the Year 1 Learning page to learn.

Your grown up can carry out the spelling test on Friday!

Happy Spelling

It's Monday!

Monday 4th May 2020

**Here's your work for
today...**

Reading online

I'm so impressed with your reading Elves.
You should be very proud of yourselves!

Please log on to Bug Club
Read for at least 15 minutes.

Please read the key words inside the front cover first.
When you find the bug questions, click and complete them.

Please note down the books you've read in your reading
record book.

Your personal login details are on the
inside of your reading record book.

Maths

Today we are learning to
find equal and unequal groups

Green group
Maths

Remember reading the words above last week? Re-read these words with a grown up. Which words do you remember?

Equal or unequal?

What
does
equal
mean?

What
does
unequal
mean?

Equal or unequal?

Can you describe the equal groups? How many are there in the equal group?

Can you describe the unequal group? How many are there in the unequal groups?

Complete the sentences.

There are ____ groups, each with ____ ice cream scoops.

How can you make these groups equal?

Complete the groups.

How can you make these groups equal?

Complete the groups.

Please can you complete the challenge questions which follow this slide.
I will supply you with the answers for the challenge questions on
tomorrow's slide

If you would like to try Gruffalo work,
complete challenge question 1

If you would like to try Horrid Henry
work, complete challenge question 1 and
2

If you would like to try James and the
Giant Peach work, complete challenge
question 1, 2 and 3.

Please write your answers to the maths questions in your blue books.

Green group
Maths
Challenge 1

1 Write equal or unequal in the boxes.

<p>a</p>  <input type="text"/>	 <input type="text"/>
<p>b</p>  <input type="text"/>	 <input type="text"/>
<p>c</p>  <input type="text"/>	 <input type="text"/>
<p>d</p>  <input type="text"/>	 <input type="text"/>
<p>e</p>  <input type="text"/>	 <input type="text"/>

Green group
Maths
Challenge 2

a  There are ____ groups of ____ bananas.

b  There are ____ groups of ____ ice-cream scoops.

c  There are ____ groups of ____ flower petals.

d  There are ____ groups of ____ fish.

2 Continue drawing the equal groups.

a

				
--	--	---	---	--

b

				
---	---	--	--	--

c

				
---	---	--	--	--

Green group
Maths
Challenge 3

True or false?

There are 4 groups of 5 pencils.

Explain your answer.

English

We are learning to talk about a story.

English

For the next couple of weeks, we are going to start looking at this story.

With your grown up read through the story a couple of times.

Sidney Spider - A Tale of Friendship

Once upon a time, there was a large spotted spider called Sidney who lived in the top corner of Mrs Brown's shed. He was a very special spider because he spun beautiful golden webs, but Sidney was lonely. When he arrived last year, all the other spiders said, "Go away, Sidney. We don't want you here. You'll steal all our prey with your golden webs." So, Sidney hid away in his dark corner feeling sad.

One bright, sunny morning, Mrs Brown decided to spring clean her shed. So, she opened up the door and banged her broom, feather duster and dustpan down on the floor. Sidney and all the other spiders in the shed shivered in fear. Soon, Mrs Brown started to sing Incy Wincy Spider at the top of her voice and Sidney shivered a bit more. Then Mrs Brown picked up her broom and started to sweep: swish, swash, swish, swash, swish, swash.

Sidney looked down from his deep, dark corner and saw Mrs Brown's broom coming closer and closer and closer: swish, swash, swish, swash, swish, swash. "Help!" cried Sidney. "Please help me." Luckily, Susie, a tiny house spider, heard him. "I'm in the old flowerpot behind the spade," squeaked Susie. "Throw out your line and come and hide with me." So, Sidney threw out a fine golden thread and landed gently in Susie's flowerpot. "Thank you, Susie," said Sidney smiling.

A few minutes later, Sidney and Susie heard: swish, swash, swish, swash, swish, swash. Oh no, Mrs Brown's broom was

Go to the next page.

English

Sidney Spider - A Tale of Friendship

by Alison Cooper

heading for the flowerpot. "Help!" cried Sidney and Susie. "Please help us."

Luckily, Stanley, an ancient spider, heard them. "I'm in the red welly boot under the bench," mumbled Stanley. "Throw out your line and come and hide with me."

So, Sidney threw out a fine golden thread and grabbed Susie. Together they landed with a gentle thump in the old red welly boot. "Thank you, Stanley," said Sidney and Susie smiling.

A few minutes later, Sidney, Susie and Stanley heard: swish, swash, swish, swash, swish, swash. Oh no, Mrs Brown's broom was heading for the red welly boot. Mrs Brown bent over to pick up the boot but, luckily, her phone rang at that very moment. "I will come immediately," they heard her say. So, Mrs Brown picked up her broom, feather duster and dustpan and rushed out of the door.

"Hooray!" said Sidney, Susie and Stanley. "Come on everyone, let's have a party!" they said.

So, all the other spiders crawled out of the holes. First, they all shook one of Sidney's legs to welcome him. Next, they danced a special spider

dance in the middle of the shed. After that, Sidney knew that he would never be lonely again.

English

Sidney Spider -
A Tale of Friendship
by Alison Cooper

When you write these sentences out in your books, remember to write in your neatest handwriting and full sentences.

I liked the story because Sidney made friends with the other spiders in the shed.

★ Share the story of Sidney the Spider with a grown-up and talk about the story together. Then fill in Sidney's sticky notes.

A Tale of Friendship
by Alison Cooper

We are going to get to know this story really well over the Couple of weeks.

Today can you make a spider like Sidney out of materials you have at home. Maybe you could make some of his friends too!

Phonics

Today it is the grande finale in your phonics booklet 1.

Please complete 44, 45 and 46.

'A Cloudy Lesson' by Yee Kue | Disney Favorite

Design and create a weather vane.

Follow the orange link.

How to Make a Simple Weather Vane for Cub Scouts | Sciencing

Weather Vane

Supplies

- Drinking straw
- Scissors
- Card
- Glue
- Plastic coffee cup with lid
- Pencil with rubber on the top
- Pin
- Sticky tape
- Compass
- Small pebbles

Method

1 Cut a slit in each end of a drinking straw (if your straw has a bendy part then cut this off)

2 Cut a square and a triangle out of the card. Make sure the triangle is smaller than the square.

3 Stick the square and triangle into the slits in the straw to make your arrow.

4 Fill the plastic cup with heavy objects such as sand or small pebbles.

5 Tape the lid on, turn the plastic cup upside-down and stick the pencil through it into the sand or small pebbles.

6 Stick a pin into the middle of the straw and then into the rubber on top of the pencil.

Now just set the weather vane in a secure place and use a compass to mark on the directions.
