It's Wednesday!

Wednesday 6th May 2020

Here's your work for today...

Reading online

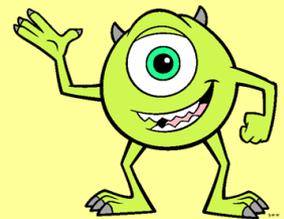

I'm so impressed with your reading Elves.
You should be very proud of yourselves!

Please log on to Bug Club
Read for at least 15 minutes.

Please read the key words inside the front cover first.
When you find the bug questions, click and complete them.

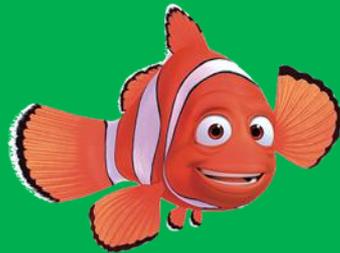

Please note down the books you've read in your reading
record book.

Your personal login details are on the
inside of your reading record book.

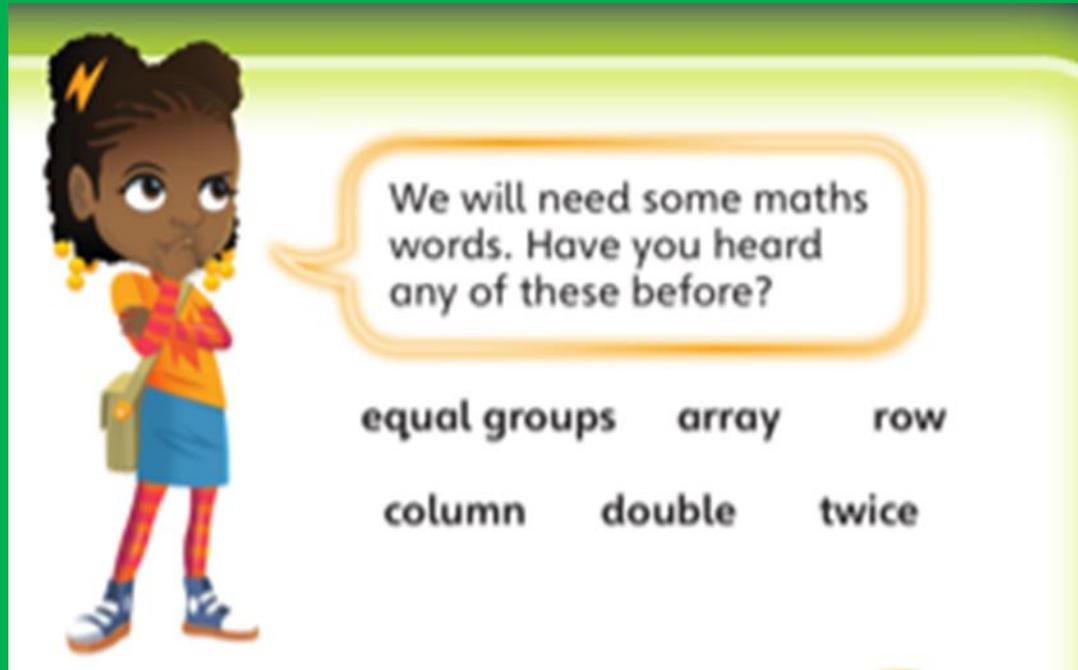

Maths

Today we are learning to add
equal groups

Maths

Re-read this words today to remind yourselves of these words.
Which word do you think you will spot today?

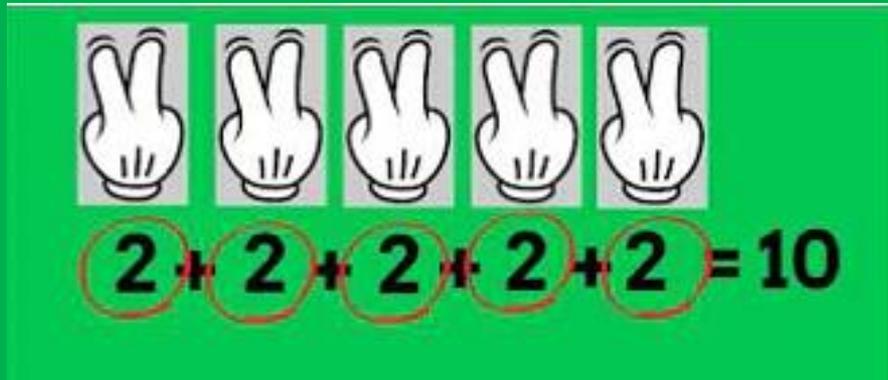

Green group
Maths

Let's remind ourselves about adding equal groups.

<https://www.youtube.com/watch?v=A8trPHq1rx8>

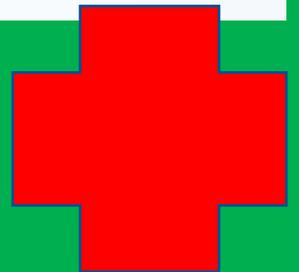

Green group
Maths

How many groups are there?
How many in each group?

Write an addition sum to represent the picture below?

The answer is on the next page.

Yes brilliant it is

$$5 + 5 + 5 = 15$$

Write an addition sentence to represent the picture below?

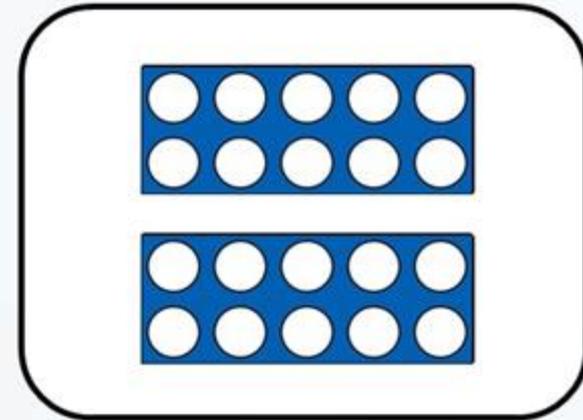

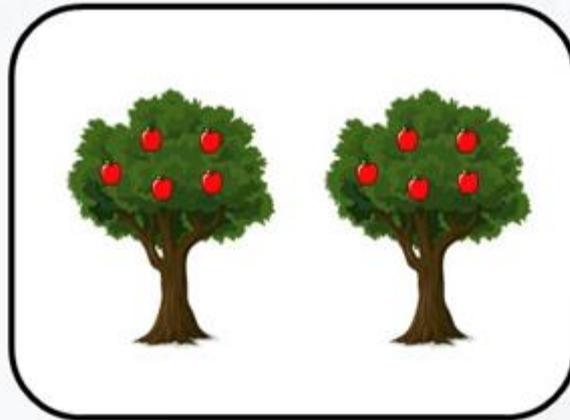

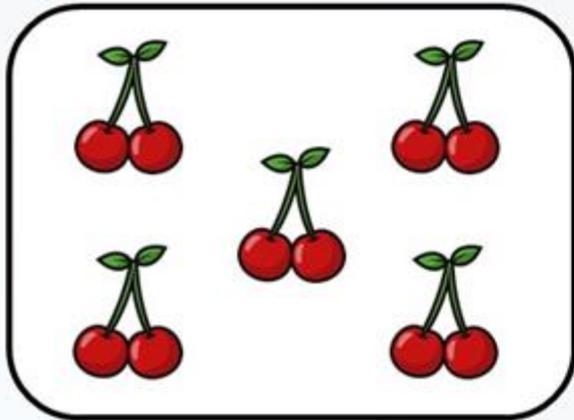

The answer is on the next page.

Yes fantastic it is..

$$5 + 5 + 5 + 5 + 5 = 25$$

Match the number of tens to its total.

$$10 + 10$$

$$5 + 5$$

$$2 + 2 + 2 + 2 + 2$$

Draw lines to match the number sentence to the picture groups

For today's work, complete the slides which follow in your blue books.

If you would like to try Gruffalo work, complete challenge 1 on the next page.

If you would like to try Horrid Henry work, complete challenges 1 and 2

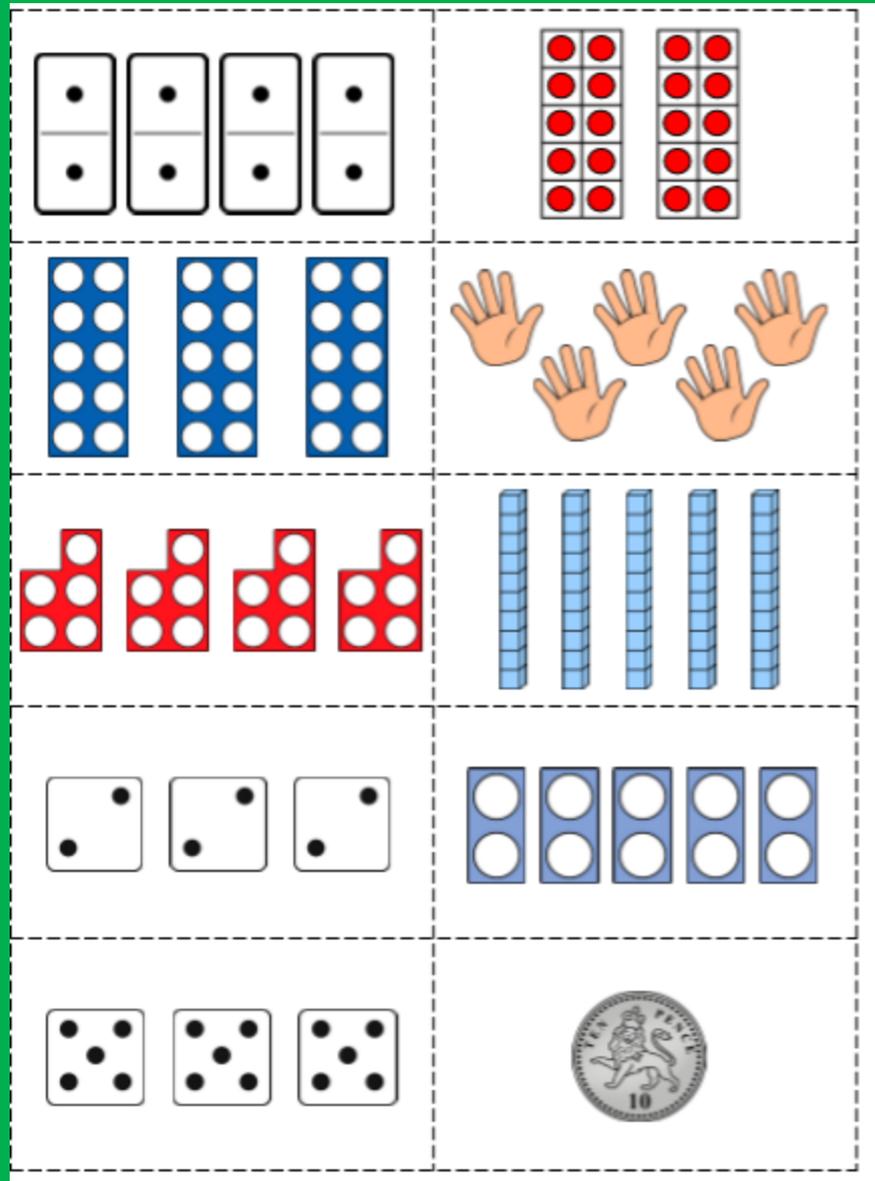

If you would like to try James and the Giant Peach work, complete challenges pages 1,2 and 3.

Green group
Maths
Challenge 1

If possible, can you print of
the next two pages. If not,
you can complete the
activity on the screen and
use both pages.

Can you match the addition
Sentences on the following
page with these pictures?

Green group
Maths
Challenge
2

$$2 + 2 + 2$$

$$5 + 5 + 5$$

$$5 + 5 + 5 + 5 + 5$$

$$10 + 10 + 10 + 10$$

$$2 + 2 + 2 + 2 \\ + 2 + 2 + 2$$

$$5 + 5 + 5 + 5$$

$$10 + 10 + 10 + \\ 10 + 10$$

$$2 + 2 + 2 + 2$$

$$5 + 5 + 5 + 5 \\ + 5 + 5$$

$$10 + 10 + 10$$

Green group
Maths
Challenge
2

Complete these questions. Try and use a number line to show a repeated addition sentence also. Print of a blank number line found in the Maths section of the Year 1 page.

a How many ice-cream scoops altogether? $2 + 2 + 2 + 2 + 2 = \underline{\quad}$
 There are $\underline{\quad}$ groups of $\underline{\quad}$ ice-cream scoops which is equivalent to $\underline{\quad}$.

b How many single cherries altogether? $2 + 2 + 2 + 2 = \underline{\quad}$
 There are $\underline{\quad}$ groups of $\underline{\quad}$ cherries which is equivalent to $\underline{\quad}$.

c How many petals altogether? $5 + 5 + 5 + 5 = \underline{\quad}$
 There are $\underline{\quad}$ groups of $\underline{\quad}$ petals which is equivalent to $\underline{\quad}$.

d How many light bulbs altogether? $5 + 5 + 5 = \underline{\quad}$
 There are $\underline{\quad}$ groups of $\underline{\quad}$ light bulbs which is equivalent to $\underline{\quad}$.

e How many fish altogether? $10 + 10 + 10 = \underline{\quad}$
 There are $\underline{\quad}$ groups of $\underline{\quad}$ fish which is equivalent to $\underline{\quad}$.

f How many apples altogether? $10 + 10 + 10 + 10 + 10 = \underline{\quad}$
 There are $\underline{\quad}$ groups of $\underline{\quad}$ apples which is equivalent to $\underline{\quad}$.

g How many pencils altogether? $10 + 10 + 10 + 10 = \underline{\quad}$
 There are $\underline{\quad}$ groups of $\underline{\quad}$ pencils which is equivalent to $\underline{\quad}$.

Can you spot a new word on the task?

Yes, its equivalent.

Equivalent means the same as equals.

Green group
Maths
Challenge 3

Sue says,

The picture shows $3 + 3$.

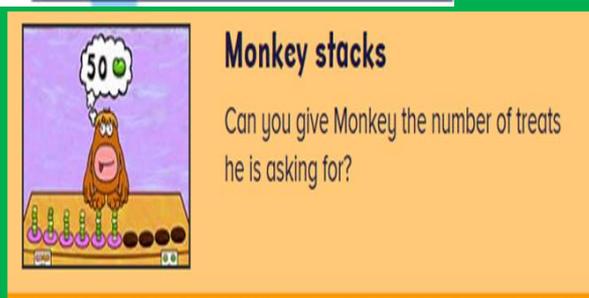

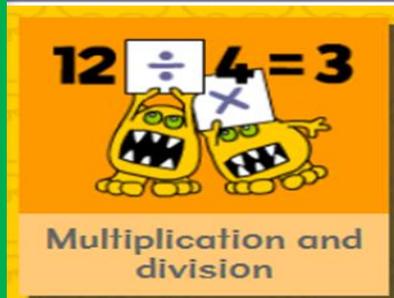

Is Sue correct?

Reply yes or no and explain why. Try and use the word because in your sentence.

Maths

Today we are learning to
find odd and even numbers

What Is An Odd Number?

1, 3, 5, 7, 9

Odd numbers have one out of line.

If a number ends in a 1, 3, 5, 7 or 9 it is an odd number.

1

3

5

7

9

Use objects from home (lego pieces, bricks, cars, pens) to practise counting on as shown above.

What Is An Even Number?

0, 2, 4, 6, 8

Even numbers have a mate.

If a number ends in a **0**, **2**, **4**, **6** or **8** it is an even number.

0

2

4

6

8

Use objects from home (lego pieces, bricks, cars, pens) to practise counting on as shown above.

Maths
Challenge 1

Can you share the  into equal groups?

The child places counters on top of each bean bag in the picture then shares them one by one between the five frames. They identify that there is one leftover and therefore the number is odd. When prompted, they can explain that if the number had been even there would have been two equal groups.

3 is an odd number.

Use objects from home (lego pieces, bricks, cars, pens) to practise the above.

We are learning to answer questions about a story.

English

Sidney Spider - A Tale of Friendship

by Alison Cooper

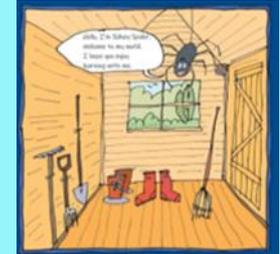

Sidney Spider - A Tale of Friendship

Once upon a time, there was a large spotted spider called Sidney who lived in the top corner of Mrs Brown's shed. He was a very special spider because he spun beautiful golden webs, but Sidney was lonely. When he arrived last year, all the other spiders said, "Go away, Sidney. We don't want you here. You'll steal all our prey with your golden webs." So, Sidney hid away in his dark corner feeling sad.

One bright, sunny morning, Mrs Brown decided to spring clean her shed. So, she opened up the door and banged her broom, feather duster and dustpan down on the floor. Sidney and all the other spiders in the shed shivered in fear. Soon, Mrs Brown started to sing Incy Wincy Spider at the top of her voice and Sidney shivered a bit more. Then Mrs Brown picked up her broom and started to sweep: swish, swash, swish, swash, swish, swash.

Sidney looked down from his deep, dark corner and saw Mrs Brown's broom coming closer and closer and closer: swish, swash, swish, swash, swish, swash. "Help!" cried Sidney. "Please help me." Luckily, Susie, a tiny house spider, heard him. "I'm in the old flowerpot behind the spade," squeaked Susie. "Throw out your line and come and hide with me." So, Sidney threw out a fine golden thread and landed gently in Susie's flowerpot. "Thank you, Susie," said Sidney smiling.

A few minutes later, Sidney and Susie heard: swish, swash, swish, swash, swish, swash. Oh no, Mrs Brown's broom was

With your grown up read through the story a couple of times.

English

Sidney Spider - A Tale of Friendship

by Alison Cooper

heading for the flowerpot. "Help!" cried Sidney and Susie. "Please help us."

Luckily, Stanley, an ancient spider, heard them. "I'm in the red welly boot under the bench," mumbled Stanley. "Throw out your line and come and hide with me."

So, Sidney threw out a fine golden thread and grabbed Susie. Together they landed with a gentle thump in the old red welly boot. "Thank you, Stanley," said Sidney and Susie smiling.

A few minutes later, Sidney, Susie and Stanley heard: swish, swash, swish, swash, swish, swash. Oh no, Mrs Brown's broom was heading for the red welly boot. Mrs Brown bent over to pick up the boot but, luckily, her phone rang at that very moment. "I will come immediately," they heard her say. So, Mrs Brown picked up her broom, feather duster and dustpan and rushed out of the door.

"Hooray!" said Sidney, Susie and Stanley. "Come on everyone, let's have a party!" they said.

So, all the other spiders crawled out of the holes. First, they all shook one of Sidney's legs to welcome him. Next, they danced a special spider

dance in the middle of the shed. After that, Sidney knew that he would never be lonely again.

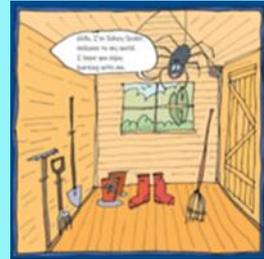

English

Sidney Spider -
A Tale of Friendship
by Alison Cooper

When you write these sentences out in your books, remember to write in your neatest handwriting and full sentences.

★Quiz time

1. Where did Sidney live at the start of the story?
2. Why was Sidney a special spider?
3. Why didn't the other spiders like Sidney?
4. What song did Mrs Brown like to sing?
5. Why did Sidney shiver with fear?
6. Why do you think Mrs Brown rushed out of the shed?
7. What made Sidney happy at the end of the story?
How do you know?

English

Can you plan and make Mrs Brown's shed out of materials you have at home for Sidney and his friends.

Or draw and label Mrs Brown's shed with Sidney and his friends.
