

Year 3 Activities Week commencing - 15.6.20

	Monday	Tuesday	Wednesday	Thursday	Friday
Morning activities					
English 	Complete work set on the PowerPoint				Virtual Sports Day
Guided reading 	Complete work set on the PowerPoint				
Exercise 	Pick an activity from the slide on the PowerPoint, or choose your own 30 minutes of exercise.				
Maths 	Complete work set on the PowerPoint				
Reading (independent learning) 	Read for 15 minutes independently - choose your own book from home to read or use the Oxford Owl website. When you have completed a book, write a book review and send it in to yearthreelearning@farnborough.bromley.sch.uk .				
Afternoon activities					
Handwriting 	Complete work set on the PowerPoint				Virtual Sports Day
Afternoon activity 	Go on a virtual school trip on the day's PowerPoint.	Complete the Art Festival lesson on the day's PowerPoint.	Complete the Topic lesson on the day's PowerPoint.	Complete the activity on the day's PowerPoint.	

Time Travelling Elephant

"The Time Travelling Elephant is actually a female, and she lives in the centre of the Zoo, in a huge temple so I'm sure you will find her." says Sam indicating the direction I need to walk with his long neck. "If you get lost, I wouldn't worry, she is sure to find you at some point in time."

"Thanks!" I say, but Sam the Spying Giraffe has mysteriously vanished. Spying Giraffes are known to do that I'm afraid. I pick up my pencil and draw a quick picture of Sam so that I will be able to spot him better in the future. (I believe it will be a good idea for you to do the same).

English

Let's read
the next part
in the story.

Why do you think the Time Travelling Elephant has a symbol on her forehead?

Where would you normally find elephants in the world?

Can you write a description for the Time Travelling Elephant?

Make a mind map of her features to help you.

You have spotted a Spying Giraffe through the trees in the jungle.

Draw a picture of what it looks like and then write a description of this magical animal.

Here is an example:

I may be the only zoo keeper in the world that could possibly tell you about spying giraffes, you see they are very rare and mysterious creatures who have a very clever skill. They have the ability to be fantastic spies, in fact I would say they are the best creatures I have ever met at hiding and being inconspicuous.

By day they are like any other giraffe, peeling leaves from the branches with their tongues, but at night they are nearly invisible. They keep a watchful eye over the nocturnal happenings in the zoo. Nothing escapes their spying eyes.

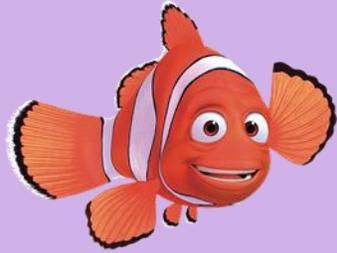

Guided Reading

Sick sentences!

These sentences are 'sick' and need help to get better. Can you help?

The man carried some things in his hands. They were special. Something was about to happen.

Active Learning

**Physical activity –
minimum 30 minutes each day**

Link to resource

5 a day

User Name: FP553 / Password: JFz4XqG7

PE Hub Parents Portal

<https://pehubportal.co.uk/>

Go Noodle

<https://www.gonoodle.com/good-energy-at-home-kids-games-and-videos/>

Go for a walk/run.

You must go with an adult from your home and make sure you stay 2 metres away from other people.

Maths

Complete the coloured work you would normally do in class. If you want to try the other challenges, please feel free 😊

Purple group: challenge one

Blue group and green group: challenge two

(blue group, you can also finish off your maths workbook if you haven't already, one page for each maths lesson instead of or as well as the challenge)

Orange group and red group: challenges two and three

Challenge One

We are building our maths knowledge.

NUMBER & PLACE VALUE

TALK

Henry says that 64 can be partitioned into $50 + 14$ but Lewis disagrees and says it can only be partitioned into $60 + 4$.

What do you think?

Can you find a different way to partition 64?

Product Code: MA00469 - 11 - 18 Made in UK

MEASURES - MONEY

Sam finds 73p down the side of the sofa.

What is the highest number of coins Sam could have found?

What is the lowest number of coins Sam could have found?

Product Code: MA00469 - 11 - 18 Made in UK

Challenge Two

**HERE IS THE ANSWER,
WHAT IS THE QUESTION?**

48

Can you use...
Facts about time?
Real life facts?
Multiplication or division.
Using three operations.

Product Code: MA10141 - 03 - 18 Made in UK

Here is the answer,
what is the question?

Challenge Three

Anyone for tennis?

Two boys and two girls can play tennis.

Ali said: 'I will only play if Holly plays.'

Holly said: 'I won't play if Ben is playing.'

Ben said: 'I won't play if Luke or Laura plays.'

Luke said: 'I will only play if Zoe plays.'

Zoe said: 'I don't mind who I play with.'

Which two boys and which two girls play tennis?

Handwriting

Collective Nouns for Animal Groups

We use collective nouns to describe groups of animals.

Here are some you may have heard of. Copy them neatly:

a herd of cattle

a flock of sheep

a litter of puppies

a pack of wolves

Reading Independently

Read for at least 15 minutes independently. You can read a book of your choice.

If you would like to read [an online book, follow this link.](#)

When you have finished a book, use the book review template on the Year 3 learning page to write a book review to send to us.

Carnival of the Animals

An Art festival

For the next few weeks we are going to run a series of art lessons based around animals.

So whether you are working at home or in school you can create some great pictures. We would like to fill the Farnborough Art Gallery with your work to create a "Carnival of the Animals."

If you are home learning, you can scan your work and send it in to your teacher.

Good luck, have fun and we want you to be creative, so if you have your own ideas we would love to see your artwork!

Zentangle* Animals

Doodles can help you to relax, you don't have to worry about representing something, just draw different patterns.

*Zentangles just means doodling!
We can all do that!

What shall I doodle?

Anything!

3. Let's start practicing patterns

Before you start decorating your hand drawing you will most certainly want to practice drawing repeat patterns and coming up with a variety of lines and shapes.

Try repeating lines such as straight, curved, thick and thin, zigzag, wavy, hatched, cross-hatched, spirals.

Try doing repeated shapes such as small dots, circles, hearts, squares, rectangles, triangles, diamonds, etc.

Look at natural patterns such as the veins on leaves, scales on a fish, tiger and zebra stripes, feathers on a bird, a spider's web, and flower petals, etc.

Think about man-made, geometric patterns such as a checkerboard, bricks on a wall.

Fill some shapes in solid black and leave some shapes white.

Colouring books are very popular now and could be a source of ideas for you.

TIP: Try filling a solid shape with black then doing a pattern on top using a fine white pen.

All you need is a pen, some time and your fabulous imagination.....

Still unsure? No worries,
watch:

https://www.youtube.com/watch?time_continue=25&v=2W6KD1xq_Zo&feature=emb_logo

You can either use the animal outlines that are on your learning page or draw your own outline of an animal.

If you can, use pens of different thicknesses so maybe a fine pen and a broad pen.

You can have a plain background or one filled with Zentangles. It's up to you!

Detailed doodles can take a long time and are best with a fine pen.

Broad pens can help you to work more quickly and are great for big, bold patterns

It's up to you which colour you
choose to doodle in.....
Enjoy and remember to send
your work in!

Can you work out the technique used in the background? Can you think of your own original background?
