Welcome back Elves!

Remember to send in your race across the world totals!

Today is our weekly Times Tables Rockstars Battle.

TIMES TABLES ROCK STARS

Are you ready to Battle?

Back by popular demand – The Battles will begin 8.30am to 2pm on Tuesday 16th June and every Tuesday until the end of term. Therefore, practise your tables to build up your timetable strength and become the Times Tables Legends you are!

https://ttrockstars.com/

This battle is for the whole school. This is an optional activity and Year One children are just beginning to learn about multiplication and division. If your child is beginning to practise, they may like to give it a go. Good luck!

Let's listen to the Snail and the Whale by Julia Donaldson

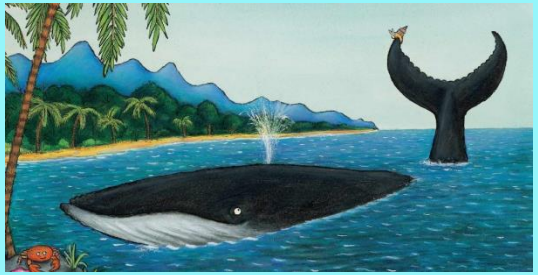
English

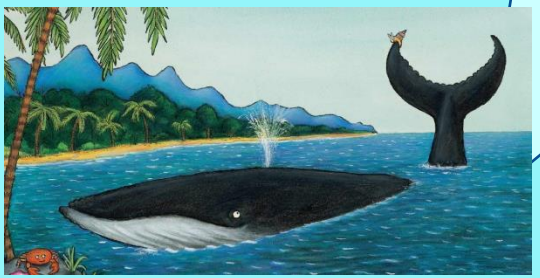
We are learning to write similes.



English

'A rock is described as black as soot'.

This is called a simile. It is a way of describing something i.e as brave as a lion. There are some similes on the next page. Have a go at reading them with an adult.



English

Some examples of Similes

As brave as a lion
As bright as a button
As busy as a bee
As clean as a whistle
As cold as ice
As cool as a cucumber
As cute as a bug's ear
As fit as a fiddle
As flat as a pancake
As free as a bird
As fresh as a daisy
As gentle as a lamb
As good as gold
As happy as a dog with two tails
As hard as nails
As sweet as pie
As tall as a giraffe
As soft as a rabbit
As warm as toast
As wise as an owl

Select your favourite similes from the list and write them in your book.

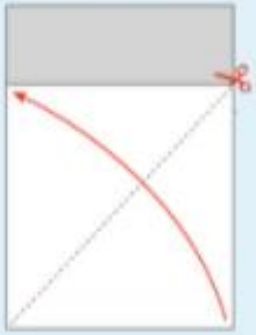
Can you make up some similes of your own? Find an object at home or a favourite book i.e. the Gruffalo and try and think of some Similes to describe them.

Make a Whale

You will need:

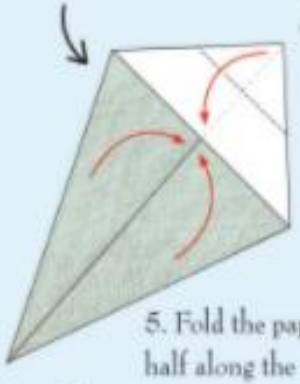
A piece of A4 paper, a blue or grey crayon, a square of white paper (about 8cm square), ruler, safety scissors, black pen or crayon.

The Body



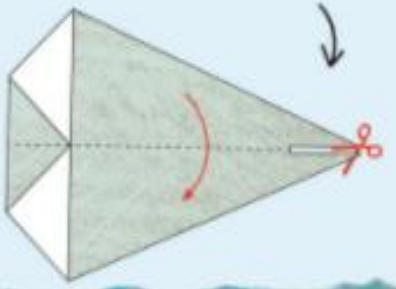
1. Lay out the A4 paper with a short edge facing you. Pick up the bottom right-hand corner and fold it diagonally across to the long edge to make a triangle. Trim off the extra paper. Colour one side of the paper with your blue or grey crayon.

2. Unfold the triangle to make a square. Fold two opposite corners to the crease to make two long thin triangles.



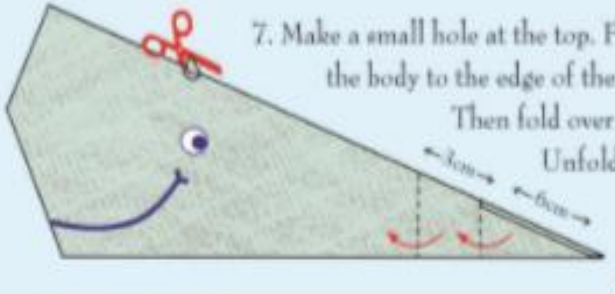
3. Fold the top corner down to meet the two triangles.

4. Make a 6cm cut here. This will become the tail.



5. Fold the paper in half along the central crease.

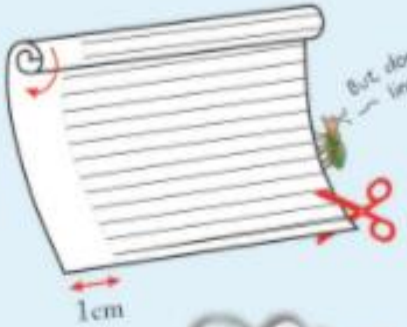
6. Draw some eyes and a smile on your whale.

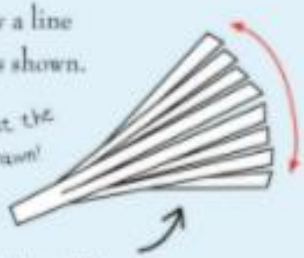


7. Make a small hole at the top. Fold the tail back over the body to the edge of the cut you made earlier. Then fold over once again as shown. Unfold the tail and separate the two ends of the tail at the cut.

The Blowhole

8. On the 8 x 8cm square of white paper, draw a line 1cm from the edge. Cut strips up to the line as shown.





9. Tightly roll the paper into a tube. Gently open up the strips and curl each one around a pencil to make the water coming out of the whale's blowhole.

10. Slot the water into the hole.

Carnival of the Animals

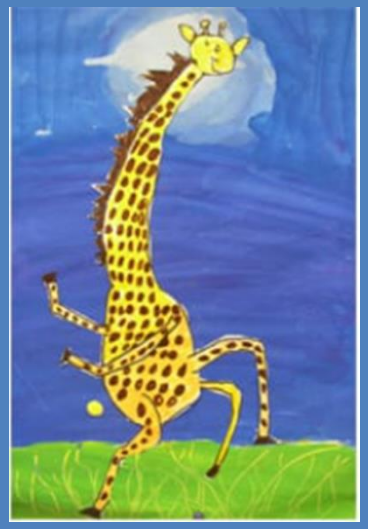
An Art festival

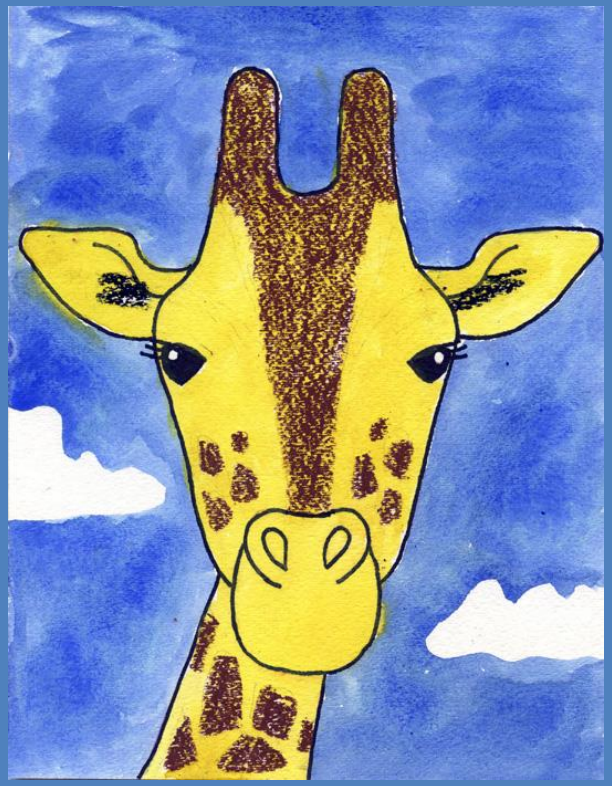
For the next few weeks we are going to run a series of art lessons based around animals.

So whether you are working at home or in school you can create some great pictures. We would like to fill the Farnborough Art Gallery with your work to create a "Carnival of the Animals."

If you are home learning, you can scan your work and send it in to your teacher.

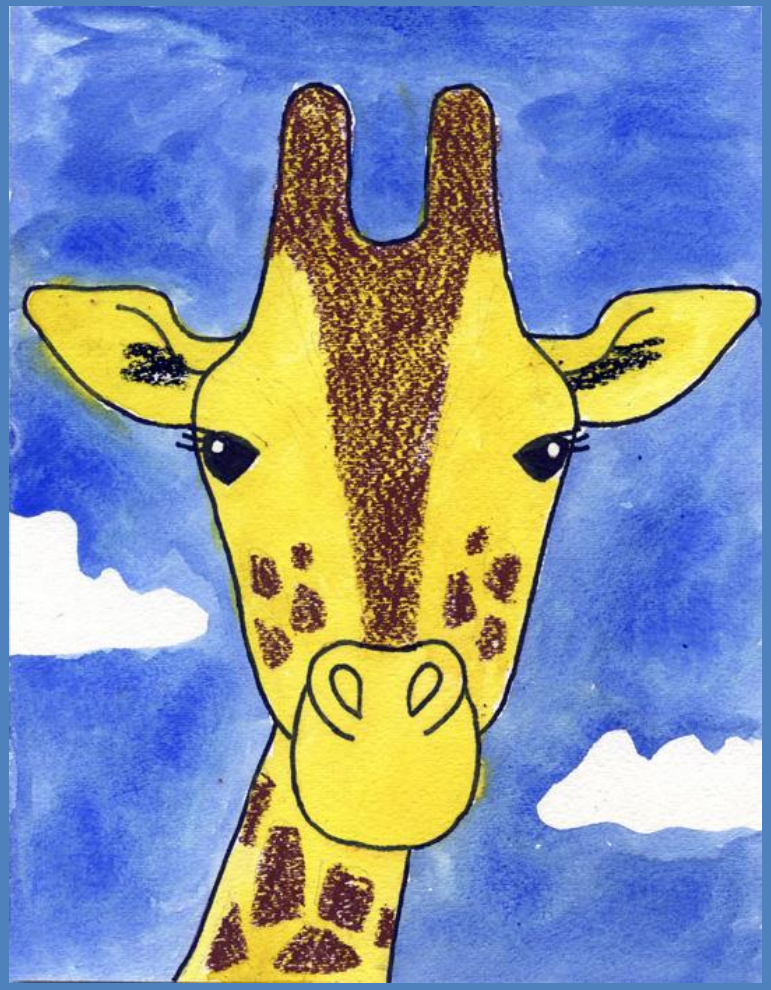
Good luck, have fun and we want you to be creative, so if you have your own ideas we would love to see your artwork!

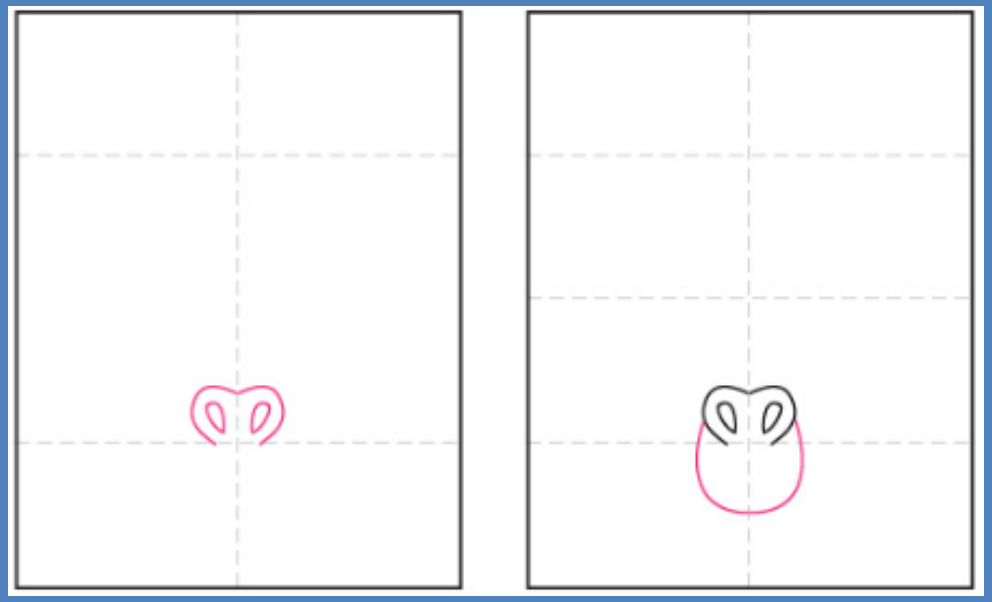




Giraffes

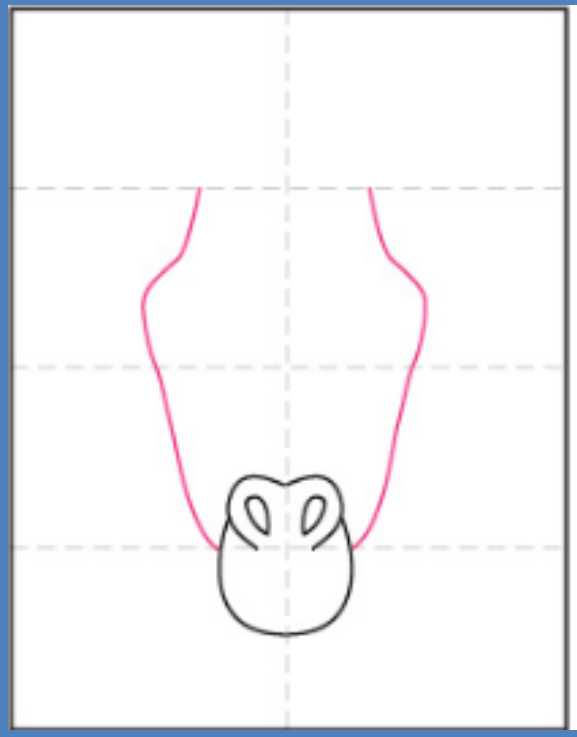
You can try just the face or get your giraffe dancing!



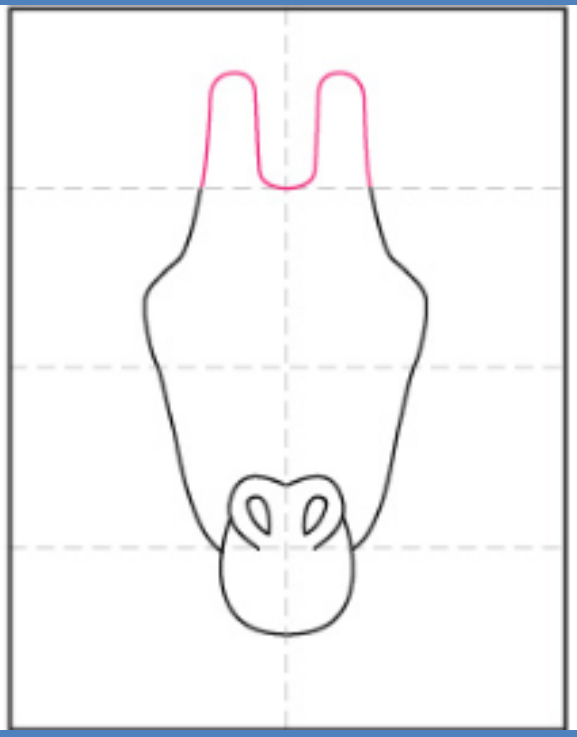


1. Fold the paper so have 8 folds. Start the nose.

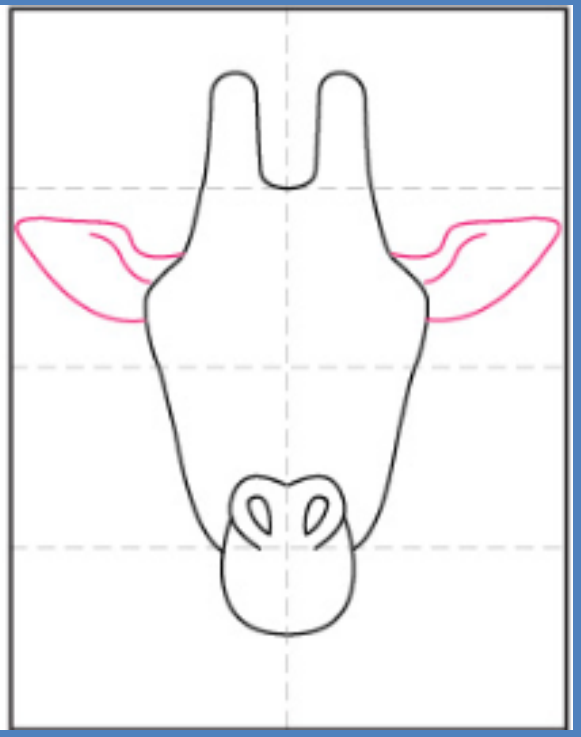
2. Draw the mouth.



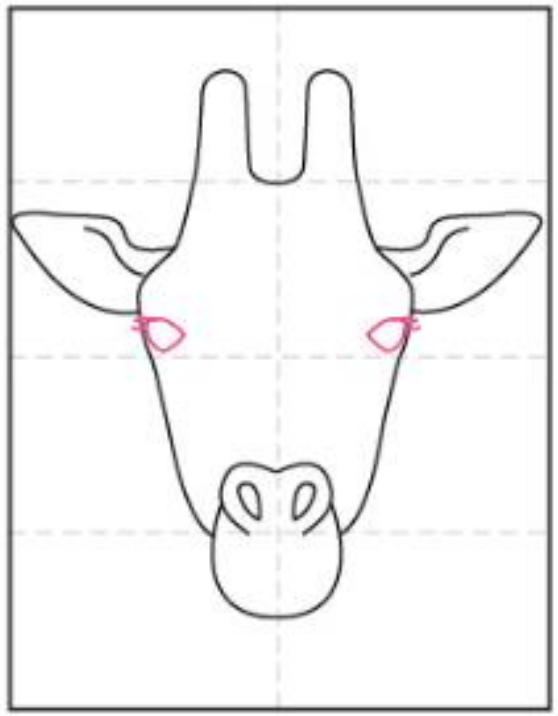
3. Draw the sides of the face.



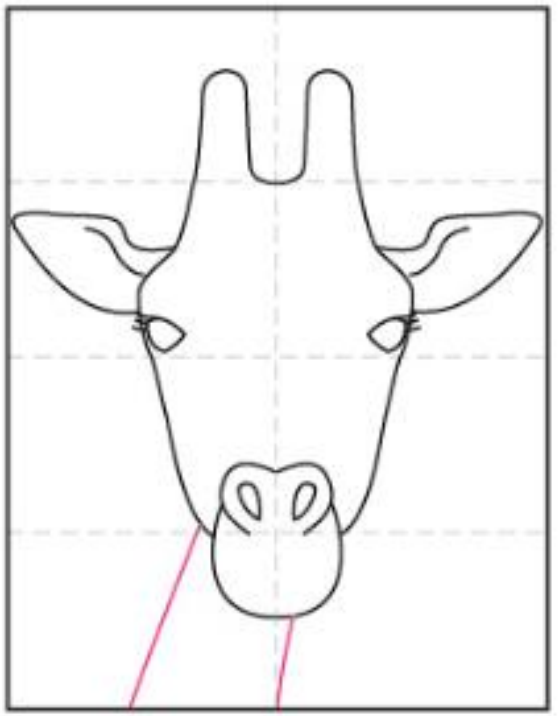
4. Add the 2 horns.



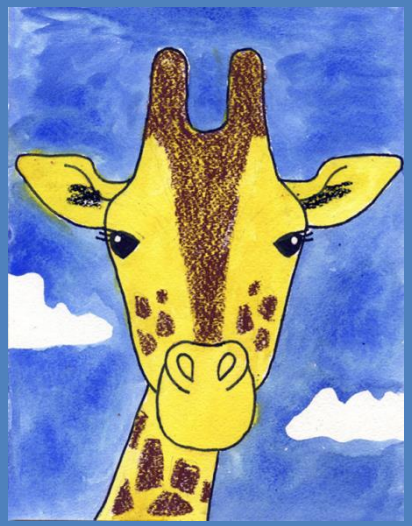
5. Draw 2 ears.

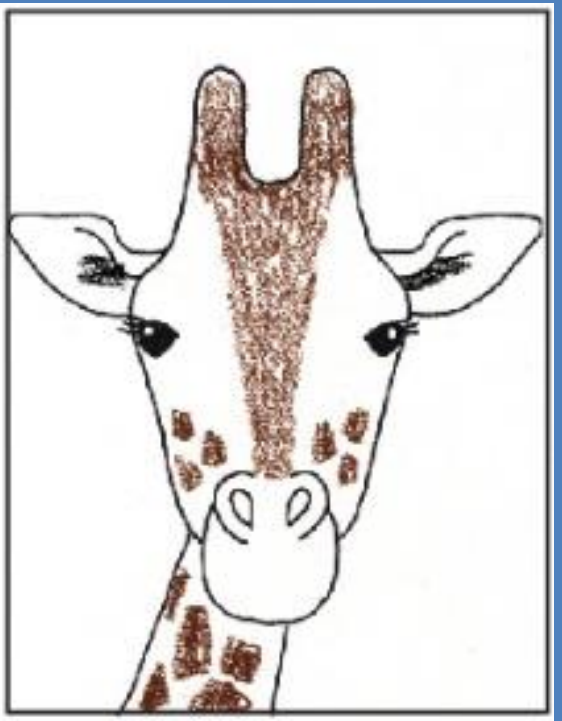


6. Add the eyes and eyelashes.



7. Add the neck.





8.Colour in pastels, paint, felt pens or pencils. Giraffes are tall so you could just have the sky in the background or the tree canopy. It's your choice!

You want your giraffe to dance? Or sway, gyrate or hip-hop……..

Big circle for the belly!

Skinny rectangles for legs!

Colour your giraffes using yellow or orange pens or pencils. Then add spots and markings using a brown or black felt pen.

You could try cutting out and sticking it on your background, it's up to you!

If you are painting the moonlit sky……

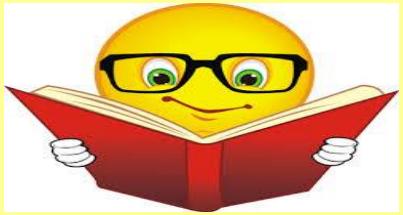
- Use a plastic cup to trace a big circle for the moon.
- Mix blue and purple paint directly onto the paper, and use big sweeping brush strokes to paint the sky.
- Start from the bottom (about a third of the way up) and paint towards the moon, being careful not to paint inside the circle shape.

If you are painting the moonlit sky……

- Next, paint the white moon, painting in a circular motion, starting in the centre and moving outwards until you touch the blue paint.
- Go into the blue sky a bit, so the white and blue paints mix.
- Finally, paint the grass yellow, wait a minute, then paint over the yellow with green paint. Using the ends of the brushes, scratch grass like strokes into the paint. Once dry stick the giraffes onto your background and enjoy the lovely art!

Remember to send your pictures in! We want a disco of giraffes in the Farnborough Art gallery!

Reading online



I'm so impressed with your reading Elves.
You should be very proud of yourselves!

Please log on to Bug Club
Read for at least 15 minutes.

Please read the key words inside the front cover first.

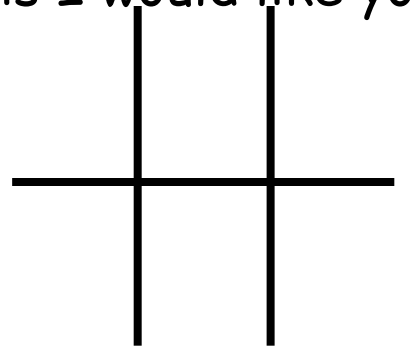
Maths Bingo

- We will have another zoom session tomorrow where you will be taking part in Maths Bingo.
- In preparation for this I would like you to draw a grid like the one below.



- Then choose six numbers between 0 and 15 to put in the grid.
- Tomorrow I will be calling out numbers. If your answer is a number in your grid, then you cross out the number.
- The first person to cross out all six of the numbers wins the game! Call out House when you have all six numbers.
