TIMES TABLES

ROCK STARS

Are you ready to Battle?

Back by popular demand – The Battles will begin 8.30am to 2pm on Tuesday 30th June and every Tuesday until the end of term.

Therefore, practise your tables to build up your timetable strength and become the Times Tables Legends you are!

At the end of Year 6, you all write comments about each other which I then collate and put in a document for you to have. I think this is the nicest thing you receive. It shows some of the lovely things the people you have learnt and played with with over the years think about you.

We will discuss ideas on Zoom. The meeting ID and password will have been emailed to your parents' email.

I will put some examples on the next slide.

XXXX XXXX – July 2020

xxxx is a kind friend and is always there to make me happy. He is really funny and he has always been there for me.

xxxxx has been great at exploring some of the memories none of us could remember. He is very understanding and is fun to be around. His love for WWE is extraordinary!

xxxx is naturally funny and can always make me laugh. He has an amazing imagination and I have always treasured having him as a friend.

I remember on the first day of reception, xxxx was talking to me confidently while I was completely petrified!

xxxx, being the first person I saw in Reception, has been a true friend throughout my years at Farnborough. He has shared many interests with me and we continue to exchange our knowledge of space with each other.

The comments are from last year (I removed the name) but this is what it could look like.

The more effort that is put in, the better the results.

It is not always easy to think up things on the spot, so we will take as much time as we need. I have definitely got today and tomorrow for working on this but we can have all week or longer if needed.

Once you have written a comment can you send it to me. You can send them one at a time. It takes time to put it together so send as soon as you can.

MUSIC

Pick a song to sing at Leavers' Assembly

I would like us to sing a song (or songs) together. I think this is a lovely last activity for the assembly. I want the choice to be yours about what we sing but I do have some rules:

- The content of the song must have some meaning appropriate to the occasion, e.g. friendship, moving on, looking back.
- No rude lyrics!

I would like to have a list of possible choices that we can vote on tomorrow so don't delay in letting me know your suggestion.

Last year, the song choices were 'You've got a friend in me' and 'Don't Stop me now' (We did have to change one word in the song!)
