SUMMER HOLIDAY CAMPS ARE KICKING OFF!

You can choose between Football camps for any of the 6 weeks of summer or Multi-Sports on weeks one, three or five. Camps all take place locally and run from 10am to 3pm each day.

Our team have new safety measures in place with a spare head coach overseeing every camp to ensure that standards are at the highest level. We are closely monitoring the guidelines set out by the FA and other governing bodies.

Boys and Girls of all ages and abilities are welcome on the camps and will be coached by the very best available coaches who are all FA Qualified, DBS checked, Child safeguarding and Emergency first aid certified.

There's many reasons to choose the Skills Academy but here's one from one of our parents which sums it up nicely: ***“they really enjoyed their session today. Really well organised, professional and supportive as always!”***
