Go for a walk/run.

You must go with an adult from your home and make sure you stay 2 metres away from other people.

# English

Let's listen to the Pirates Love Underpants by  
By Claire Freedman and Ben Cort.

[https://youtu.be/Vd8\\_Y1bEzA8](https://youtu.be/Vd8_Y1bEzA8)

# English

We are learning to write a message.

Dear Lovely, Amazing Elves,

Sadly this is the last English activity in Year One. I am very proud of all of you and how you have worked so hard during your time at home.

I have loved seeing you all on Zoom and you have all made me really smile and laugh.

Give your mummies and daddies a big thank you from myself for helping you with your school work. They have been brilliant.

Have a fantastic summer.

Best Wishes,  
Mrs Murray.

# English

My message to you is going to go into a bottle. Can you write a special message to your class. Start with Dear .....

Please send in your message and I can pass them on to your child's teacher next year, Mrs Matthews.

# Carnival of the Animals - An Art festival

Hello

Over the last 6 weeks you been creating some great art on the theme of "Carnival of the Animals."

We hope you have enjoyed the lessons and we have really enjoyed looking at your work. It's been lovely to hear that family members have also joined in!

This week I am giving you a choice from my favourite websites....

There are so many nice ideas on these websites I found it difficult to choose, so take a look and decide yourself!

Enjoy ,relax, be creative this week and over the summer.

We would love to see your artwork in September!

Take care

Miss Pattison

Thank you for sending in your fabulous artwork! Remember it's not too late to send your art to your home learning page. We put up everything that is sent in on the website.

Young artists will enjoy this website

Remember you have the animal outlines on your home learning pages.

Learning magnetism with a...

# Pirate Magnet Maze

You will need:

thick cardboard

a magnet

metal paperclip

cardboard

pirate maze

Method:

1. Draw a pirate ship on a small piece of cardboard and attach a metal paperclip.
2. Place the magnet on the underside of the maze and use it to guide the ship around the maze.

The Science Bit

Did you know? Magnets attract some metals and can be different strengths. Magnets have two poles, we call them the north pole and south pole. opposite poles attract each other and the same poles repel.

# Pirate Themed Maze

Can you help the pirate find his magic treasure chest?

# Reading online

I'm so impressed with your reading Elves.  
You should be very proud of yourselves!

Please log on to Bug Club  
Read for at least 15 minutes.

Please read the key words inside the front cover first.  
When you find the bug questions, click and complete them.

Please note down the books you've read in your reading  
record book.

Your personal login details are on the  
inside of your reading record book.

Dear Elves,

As this is our last home learning together I just wanted say you have all been fantastic this year. It has been a bit strange with school being at home for you. But what has been amazing for me, is to see all of you grow and become such amazing people. I will miss you so much. Have a fantastic summer.

Mrs Murray
