Dear Parent/Carers,

Transition

I can't believe it is already nearly the end of the academic year...especially when nearly half of it, has been spent, not in school. I am sure you will all agree that 2020 has been a particularly strange year; however, we look forward to some level of normality in September when we are expecting that all of our children will return to school.

Despite the differences in this academic year we have still reached that time where we would send you your child's end of year report that celebrates all of their achievements and progress made over the course of the year and when you and your children find out who their new teacher will be in September.

Due to the circumstances in which we find ourselves in, we have slightly changed how we communicate these notices. This letter outlines who your child's new teacher will be and the transition programme over the next two weeks for the children.

On Monday 13 July and Tuesday 14 July, you will electronically receive your child's end of year report.

On Monday 6 July, on your child's current class page, there will be a letter and presentation from your child's new class teacher. Within the letter and presentation, there will be a short task for the children to complete by Friday 10 July and email to their new teacher.

On Monday 13 July, each class will have a Zoom meeting timetabled with their new teacher. You will receive the details of this on Friday 10 July with the Zoom timetable for w/c 13 July.

Date	Event
6 July	Presentations and letters out on current class pages from new teachers
10 July	Tasks due back to new teachers via email
10 July	Zoom details for 'Meet the Teacher' sent to parents/carers
13 July	Meet the new class teacher – via Zoom
13 July	Transition photos and support documents on the website for children
13 July	EYFS and KS1 reports due out
14 July	KS2 reports due out

Farewell

Sadly this year we say farewell to Mrs Panayi, who will return for a short while before she officially leaves in October. Mrs Panayi has contributed a huge amount to Farnborough Primary School during her time here, including taking up positions of leadership more recently as Acting Deputy Head and Key Stage Two Leader. We will miss her hugely and thank her for all she has done for our community.

We also say goodbye to Mrs Pugh at the end of this term. Mrs Pugh has worked at Farnborough Primary School for 21 years, and I cannot even begin to list all the many contributions she has made to our school. Mrs Pugh is an invaluable and irreplaceable member of staff and she will be missed greatly by us all.
