Mrs C Browne B.Ed Hons Head of School

25 September 2020

Dear Parents/Carers,

We would like to clarify a few points regarding homework for Years 2 – 6.

- All homework is to be handed in on a Tuesday.
- The homework grids for each class and year group are on the learning pages of the website.

	Year 2	Year 3	Year 4	Year 5	Year 6
English					
Maths					
Science					
History					
Geography					
Art					
Music					
PE					
RE					
PSHE					
Computing					
French					
Spanish					
Latin					
Other					

- The children need to select one activity from the grid to complete per week; these do not have to be completed in any particular order.
- All these tasks are also now set up onto Google Classroom electronically as single documents rather than a grid; they are called assignments. They appear separately as we cannot put them as a grid onto Google Classroom. You can access these by clicking on the assignment itself.
- You still only need to complete one task a week.
- To create a document on Google Classroom you then go to click on 'view assignment' written in words, then click 'create a document'. Docs is where you can produce a Microsoft Word document, slides is for a PowerPoint and sheets is Excel.
- If you have a separate document that you have created and that you would like to attach then press add or create and attach a file as normal. Please ensure that the file is attached as some work is coming through without the attachments.
- Once you have finished your work, it will offer you the chance to turn it in.
- There is a guide to using Google Classroom on the website under the mailings section dated 18.09.20.
- There is also a maths piece of homework to be completed weekly. At the moment, this is accessed through Google Classroom. We will let you know when it changes to MyMaths.
- Comprehension will be set once a fortnight on Google Classroom; this will be for Years 3 – 6 only.
- The list of spellings for the half term is also on each year group's learning page on the school website. Your child is required to learn the list and will complete a weekly spelling test within class.

Farnborough Primary School is a member of **Nexus Education Schools Trust**

Nexus Education Schools Trust (NEST) is a charitable company

- We all have busy lives and appreciate all you do with your children to support them at home and at school. If at any point you have a query regarding the homework, please email the admin.office email account.

Yours sincerely

The Farnborough Primary School Team
