# Timings of the day

8:55 – Gates Open for Year 6

9:00 – Registration

10:30 – Break

12:45 – Lunchtime

15:15 – School Ends

# Uniform Standards

In line with our standards and in preparation for Secondary School, we expect the children to dress in the correct uniform and make sure they look smart, e.g. buttons done up, shirts tucked in.

On PE days, children should come to school dressed in PE kit (and any extra layers required in cold weather).

## Tuesdays and Fridays

When clubs start again, the children will also need to come to school in their PE kits and any other additional items required, e.g. long socks and shin pads.

# Reading

Your child should read every day.

From the week commencing 14<sup>th</sup> September I will be setting books on Bug Club for the children whilst we are unable to have books going in and out of school.

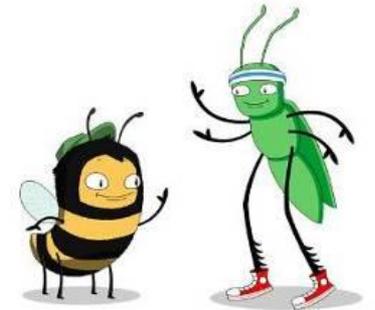

If your child has access to books they are happy to read then they do not have to use Bug Club.

**Bug Club**

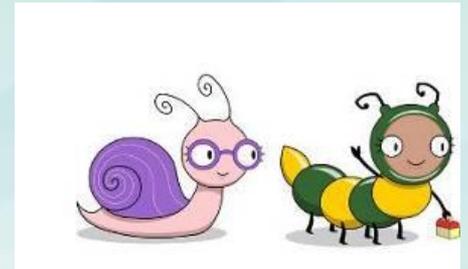

**Our school online reading  
programme.**

# What is Bug Club?

- A reading programme that the whole school will be using to help teach reading.
- Reception and KS1 have been using this scheme for two years and it has been very well received.

# Using the eBooks

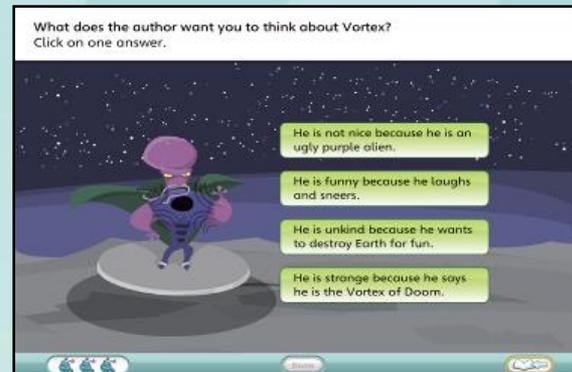

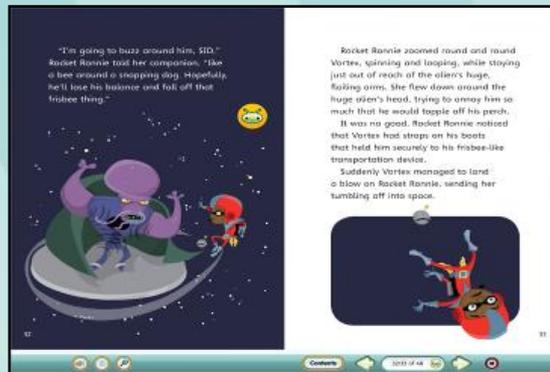

We are providing each child with their own login details to a website where they can read eBooks.

[www.activelearnprimary.co.uk](http://www.activelearnprimary.co.uk)

# Reading an eBook

- You can click on the book cover to see how many quiz questions there are.
- When reading the book your child needs to click on all the bug icons to open the quiz questions.
- Your child does not need to finish all quiz questions in one sitting. They can come back to a book later.

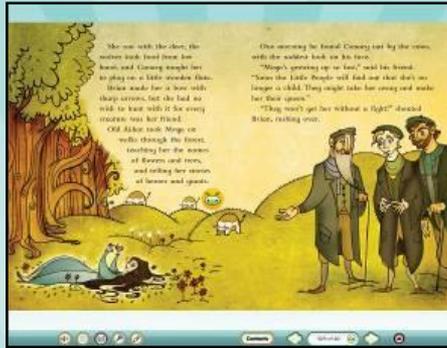

# Books I Have Read

- When your child has finished a book, it will move to 'My Library'.
- If your child has not completed all quiz questions in a book, then it remains in the 'My Stuff' area and it will not move to 'My Library'.
- Until the book moves to 'My Library' class teachers cannot tell that it has been fully completed.

# Getting the most out of the eBooks

- Children can read at their own pace.
- Encourage your child to attempt all of the quizzes.
- Teachers can track your child's progress and help them with types of quiz questions they struggle with.

# Homework

Homework is designed to support and consolidate the learning in Class.

We will be using Google Classroom to set homework which means the homework will be set and submitted online, avoiding the need to bring a book in and out of school. I will provide more details when we start homework on week commencing 14<sup>th</sup> September.

Maths homework: Set Thursday, due in Tuesday.

English/Topic homework: Set Thursday, due in Tuesday.

Spelling homework: Handed out Friday, Test on Friday.

## Notes

- 30 minutes for a task, reasonably independently. Please write a note if any struggles, queries etc.
- Sometimes a project may be set for homework and the children will be given two or three weeks to complete this.

# Target Sheets and Information Packs

- Download on Year 6 page

# Thinking about Secondary Schools

## Secondary School Admissions – Bromley

[https://www.bromley.gov.uk/info/14/secondary\\_school\\_admissions](https://www.bromley.gov.uk/info/14/secondary_school_admissions)

My usual advice is to look around the possible schools, however, this will not be possible. Check out websites; ask parents of children who already have children there.

**Deadline: 31<sup>st</sup> October 2020**

This is our last year at  
Farnborough.

Let's make it an incredibly  
positive experience by being the  
best we can be.
