## Step Into the Sea Corridor Display for World Book Day Thursday 5th March 2020

Dear Parents/Carers,

### Dressing Up

On Thursday 5<sup>th</sup> March, we will be celebrating World Book Day by the children participating in many fun activities around the school linked to books about 'Under the Sea'. The children will be grouped in their houses for the day, so siblings will spend the day together.

Whilst it would be lovely for the children to dress up as 'Under the Sea' themed characters; we appreciate this is a tricky theme to accommodate, therefore we are happy for the children to dress up as their favourite book character from any theme.

### Photographs of Children/Families at the Seaside

To coincide with World Book Day on the above date staff are working hard to create a sea themed corridor for the children to enjoy and inspire their imaginations.

We would like to display photographs of the children at the seaside, whatever the weather! The photographs will be displayed along the corridor, stuck on a backdrop of beach-huts.

Should you wish to submit a photo, please send only a **printed image on paper**, (rather than a "proper" photograph) as we are unlikely to be able to return the photographs after. Images will be shredded once the display is dismantled. If you are able to submit a photograph of your child/family, please send into your child's class before Friday 28<sup>th</sup> February. Ideally, the photographs should be no larger than A5 in size so we have enough wall space to display.

## Parent Help Wanted

Also, we would very much appreciate some help in creating the display. No experience is necessary! We need some help cutting out sea creatures, letters, shells and covering corridor doors in display paper etc. If you are able to volunteer, please fill in the slip below and return to the School Office. We are having two display workshop afternoons, on Wednesday 26th February and Wednesday 4th March.

Additionally, if you have a talent for drawing and have some spare time, please let us know, as we would love some mermaids, pirates, sea creatures drawn to enhance the experience of the children when they "Step into the Sea." We can provide the paper and art materials, if it is more convenient to draw at home.

Many thanks, as always for your support in helping to provide an engaging learning environment.

Miss Pattison
