Dear Parents and Carers

### **Advance planning for prolonged school closure**

Across Nexus Education Schools Trust, as part of our planning for possible prolonged closure, we are keen to identify those families with key front line workers who would not be able to work in the event of school closure. This would include those who work in key front line services such as **blue light services, health and social work**.

In order to facilitate the collection of this data we would appreciate it if you could complete the Survey Monkey questionnaire at the following link:

<https://www.surveymonkey.co.uk/r/BFBJ66H>

This is a voluntary survey and you are not obliged to complete it if you do not want to.

Yours faithfully

Paula Farrow
