Miss A James BA PGCE Head Teacher

Mrs C Browne B.Ed Hons Head of School

Thursday 12 March 2020

Dear Parent/Carers,

As I am sure you are all very aware, we **may** have to close the school at some point in the near future due to being in the 'Delay' phase of the Coronavirus pandemic. I am exceptionally sorry for the disruption this will cause all of you, but obviously, this is a decision that will be made by The Government. This letter outlines how work will be set for the children at Farnborough **if** we are asked to close. **This is NOT a confirmation of closure.**

Should the school close, each class teacher will be setting work for the children to do at home. Each child will be sent home with a small pack including an exercise book in which they should put all of their work if appropriate and some pens and pencils.

For children in Reception, year one and year two the children will be given workbooks to complete. Children in years three to six will have most of their work set via our school website, however, some children will have workbooks too. Descriptions of what the children will need to do will be found under your child's class webpage. Please see below:

The screenshot shows the school's website with a green header and a yellow navigation bar. The 'LEARNING' menu item is highlighted with a red arrow. Below the navigation bar, the 'Our Classrooms' section is visible, with a red arrow pointing to the 'Reception Class' link. The 'Workshops' section is also visible on the right side of the page.

To access your child's work, you will need to:

- Login to our school website <http://farnboroughprimary.co.uk/>
- Click on 'Learning'
- Click onto your child's year group (as shown above)
- Click on the 'Week Commencing' link (as shown below)

Year 2 Class

Welcome

Unicorn Class

We are very happy that you dropped in to see us. This page currently contains pictures of our classes hard at work in our classrooms; however, these pages will be regularly updated with information relating to our classroom activities so please keep checking back for new information.

Class Work – Week Commencing Monday 30 March 2020

Spellings for Year 2

- [Year 2 Spellings- Spring Term 2 2020](#)

Homework Grid for Year 2

Within each section, work will be set or explanations given as to what the children should do in their exercise books or workbooks. Work will be set for Writing, Phonics, Reading, Handwriting, Maths, Science, French and Topic where appropriate for different year groups. Each class teacher will be showing the children the contents of their packs and where to find their work on the school website if this is relevant over the next few days.

If there are any queries regarding the schoolwork, or should the children wish to email their work to their class teacher, please send the email to them via admin.office@farnborough.bromley.sch.uk and this will be passed onto the teacher. If a response is appropriate, this will be emailed back via the admin.office email address.

During the period that we are off, we may have lots of school events planned such as parents' evening and the years three and four production. These events will be postponed, **not** cancelled. I will continue to update families via our mailings system regarding when our expected date of return to school will be, should we be asked to close.

The reason I have sent this letter out prior to a possible closure is so you can ask any questions or address any concerns about how we are setting the school work. Please do not hesitate in contacting me via email, phone or at the end of the day on the school gate.

Yours Sincerely

Angela James
