SHACKLETON'S JOURNEY

William Grill
FLYING EYE BOOKS

CILIP Kate Greenaway Medal winner
A New York Times Best Illustrated Book
AOI Illustration New Talent Award winner

"I felt strangely drawn to the mysterious south. I vowed to myself that some day I would go to the region of ice and snow, and go on and on 'til I came to one of the poles of the Earth, the end of the axis on which this great round ball turns."
— Ernest Shackleton

Beautifully illustrated by William Grill,
Shackleton's Journey is the epic true story of how Shackleton and his crew managed to survive crossing the frozen heart of Antarctica, and a testament to their great courage and endurance.

"William Grill eschews panels for wonderfully immersive spreads. A book that captures the rewards and trials of polar exploration in great style."

SETTING SAIL

Endurance set sail for Buenos Aires on Saturday, 8 August 1914, after receiving a telegram from the Admiralty which simply read, "Proceed".

Today I would like to finish writing your article.

Remember to include the 5 Ws - Who, When, Where, What, Why

Make sure you use the quotes you created yesterday.

When you have finished, send it to admin.office@Farnborough.Bromley.sch.uk - I would love to read them.

If you become stuck, read through the Greta Thunberg article for ideas and check the plan.
