

Welcome back Elves!

Dear Parents and Elves,

We enjoyed very much seeing all of your lovely smiley faces on Friday and I hope you enjoyed your treats. Are you wearing the sweat bands when completing the active challenge? Let's try and be the most ACTIVE class!

I have really appreciated the lovely messages and photos received from you over the last few weeks, thank you.

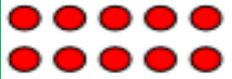

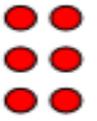

Elves, you have been brilliant learning at home. Parents, you've been amazing teaching your children. You should be very proud of yourselves. I've set lots of new activities this week. I hope you enjoy them.

Have a lovely half term with your families.

Best Wishes,
Mrs Murray.

Thursday's
Maths Answers

	$5 + 5 + 5 = 15$
	$2 + 2 = 4$
	$10 + 10 + 10 = 30$
	$5 + 5 = 10$
	$10 + 10 = 20$
	$2 + 2 + 2 = 6$

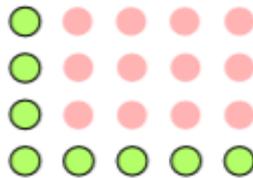

Green group
Thursday's
Maths Answers

Describe the arrays and write **two** number sentences to represent the array.

Array	Description - Rows	Description - Columns	Number sentences
	<u>3</u> rows. <u>5</u> in each row.	<u>5</u> columns. <u>3</u> in each column.	Either: $5 + 5 + 5 = 15$ $3 + 3 + 3 + 3 + 3 = 15$
	<u>3</u> rows. <u>2</u> in each row.	<u>2</u> columns. <u>3</u> in each column.	Either: $2 + 2 + 2 = 6$ $3 + 3 = 6$
	<u>2</u> rows. <u>5</u> in each row.	<u>5</u> columns. <u>2</u> in each column.	Either: $5 + 5 = 10$ $2 + 2 + 2 + 2 + 2 = 10$
	<u>5</u> rows. <u>2</u> in each row.	<u>2</u> columns. <u>5</u> in each column.	Either: $2 + 2 + 2 + 2 + 2 = 10$ $5 + 5 = 10$
	<u>4</u> rows. <u>5</u> in each row.	<u>5</u> columns. <u>4</u> in each column.	Either: $5 + 5 + 5 + 5 = 20$ $4 + 4 + 4 + 4 + 4 = 20$
	<u>2</u> rows. <u>2</u> in each row.	<u>2</u> columns. <u>2</u> in each column.	$2 + 2 = 4$

Green group
Friday's
Maths Answers

The number sentence that represents the array is: $5 + 5 + 5 + 5$.
Complete the array to show this.

There are 4 rows.

There are 5 columns.

There are 20 counters altogether.

Spellings

This weeks spellings are posted on the Year 1 Learning page to learn.

Your grown up can carry out the spelling test on Friday!

Happy Spelling

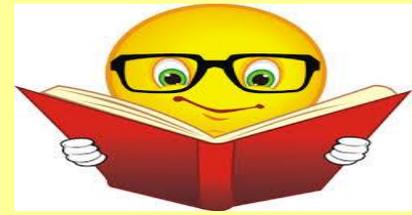

It's Monday!

Monday 18th May 2020

**Here's your work for
today...**

Reading online

I'm so impressed with your reading Elves.
You should be very proud of yourselves!

Please log on to Bug Club
Read for at least 15 minutes.

Please read the key words inside the front cover first.
When you find the bug questions, click and complete them.

Please note down the books you've read in your reading
record book.

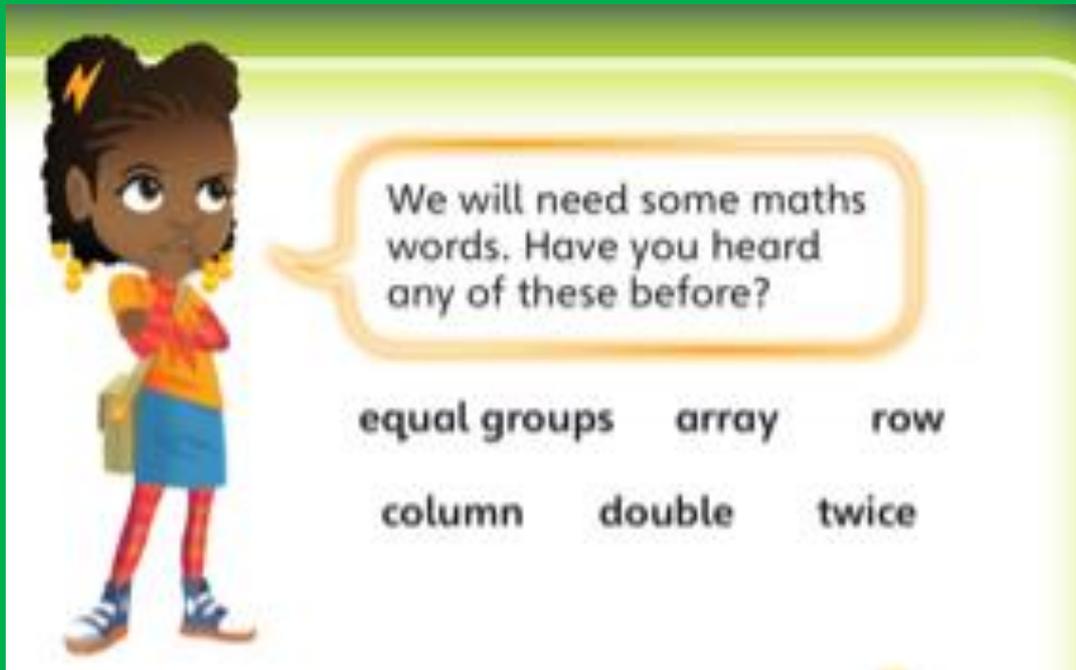

Your personal login details are on the
inside of your reading record book.

Maths

Today we are learning to
double

Green group
Maths

You should be very proud of yourselves. Over the past few weeks, you have come across lots of new mathematical words.

Green group
Maths

Follow this link to start learning about doubling

[You Tube Doubling](https://www.youtube.com/watch?v=At0quRa90rs)

<https://www.youtube.com/watch?v=At0quRa90rs>

Making doubles

Discover

If you roll 2 dice with the same number it is called a **double**.

Tariq

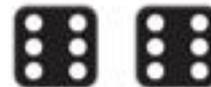

Abbie

i a) Who rolled a double?

What is double 4?

b) What is double 6?

Using small objects at home, lego pieces, counters, pasta pieces or seeds, can you double 4 at home?

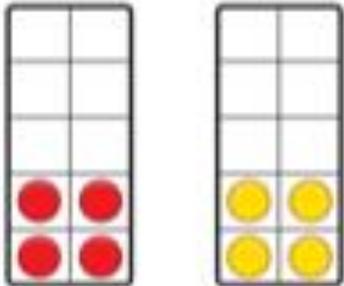

Share

I drew a picture to find the double.

I added to find the double.

a) Tariq rolled a double.

Double 4 is two groups of 4.

$4 + 4 = 8$

Double 4 is 8.

Using small objects at home, lego pieces,
counters, pasta pieces or seeds,
can you double 6 at home?

b) Double 6 is two groups of 6.

6

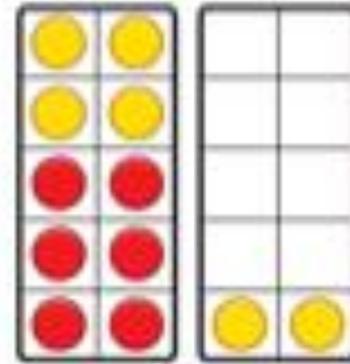

+

6

=

12

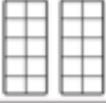

Double 6 is 12.

Using small objects at home, lego pieces, counters, pasta pieces or seeds to practise doubling.

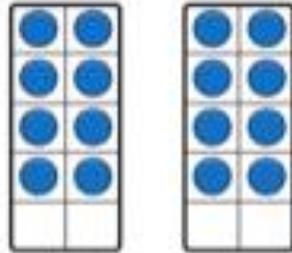

Think together

1 Complete the number sentences.

Number		Double
		$1 + 1 = 2$
		$2 + 2 = \square$
		$3 + 3 = \square$
		$4 + \square = \square$
		$\square + \square = \square$
		$6 + 6 = 12$

Using small objects at home, lego pieces, counters, pasta pieces or seeds, can you double 8?

2 What is double 8?

$$\square + \square = \square$$

Double 8 is \square .

I am going to learn my doubles.

Please can you complete the challenge questions which follow this slide.
I will supply you with the answers for the challenge questions on
tomorrow's slide

If you would like to try Gruffalo work,
complete challenge question 1

If you would like to try Horrid Henry
work, complete challenge question 1 and
2

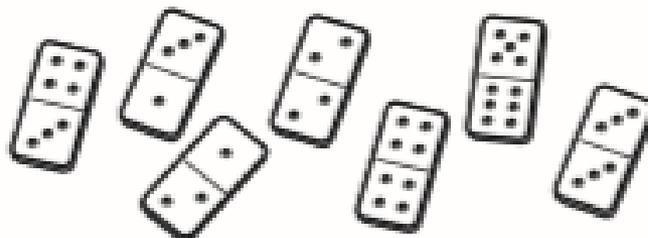

If you would like to try James and the
Giant Peach work, complete challenge
question 1, 2 and 3.

Year 1

Year 2

Logon on to Busy Things.
On your marks, get set, go. Play the game to practise
your multiplication skills.

If you've completed your maths quickly, go to the Maths Challenge Powerpoint on the Year 1 learning page for this week and complete one or more challenges.

Yellow group
Maths

Today we are
learning to make
teen numbers.

Yellow group
Maths

Follow the next few slides and see how many challenges
you can complete.

If you would like to try Gruffalo work,
complete Challenge 1

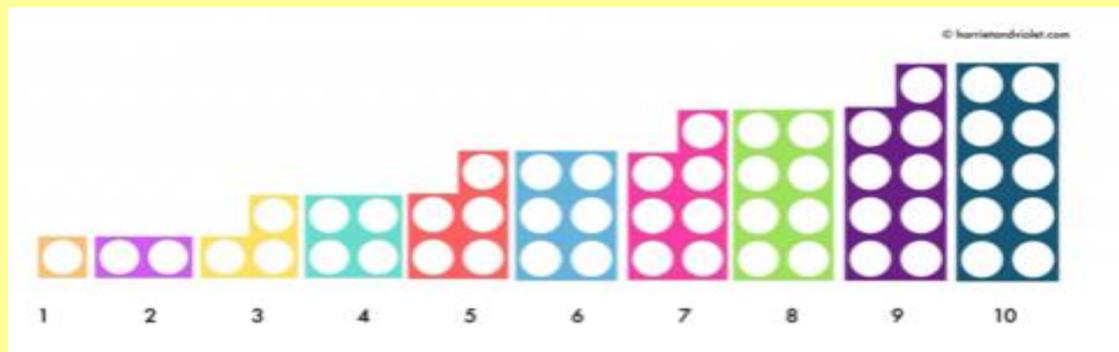

If you would like to try Horrid Henry work,
complete Challenge 1 and 2

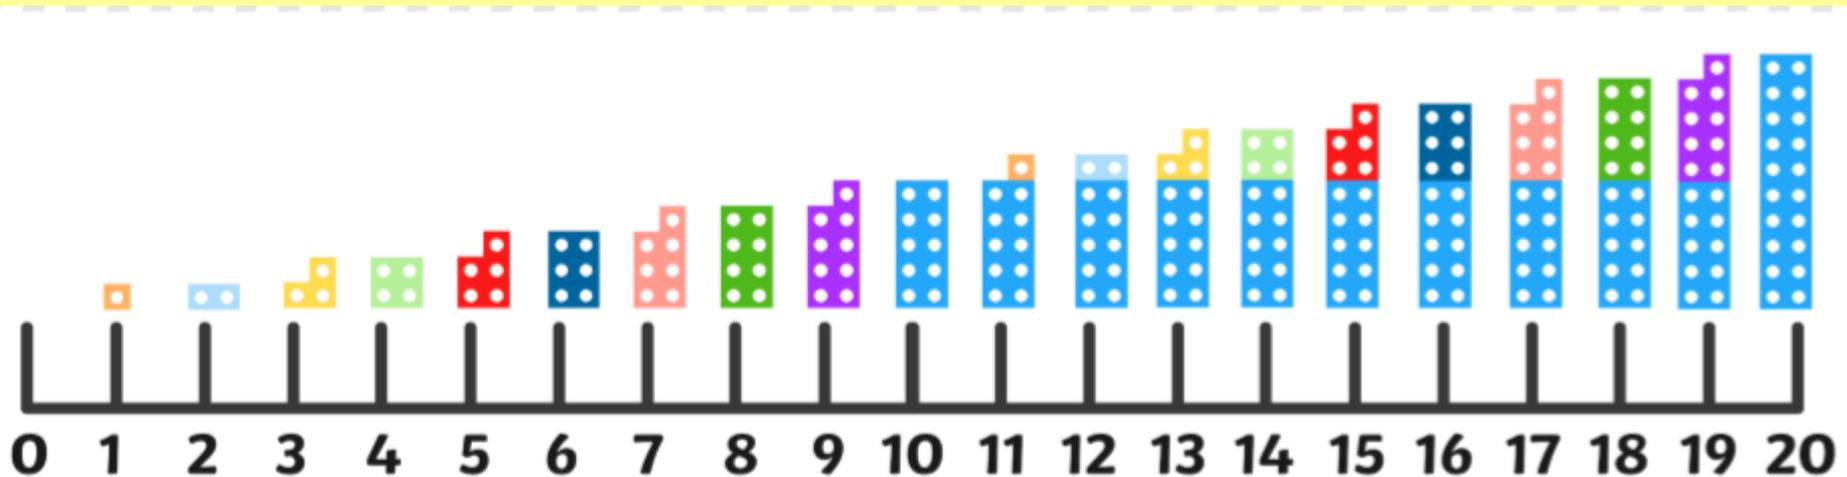

If you would like to try James and the Giant
Peach work, complete Challenge 1, 2 and 3

Yellow group
Maths
Challenge 1

Using your Numicon, can you create the same number line, then count up and down.

Yellow group
Maths
Challenge 2

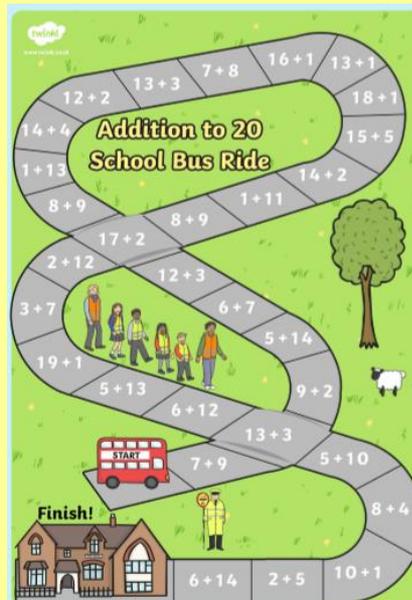

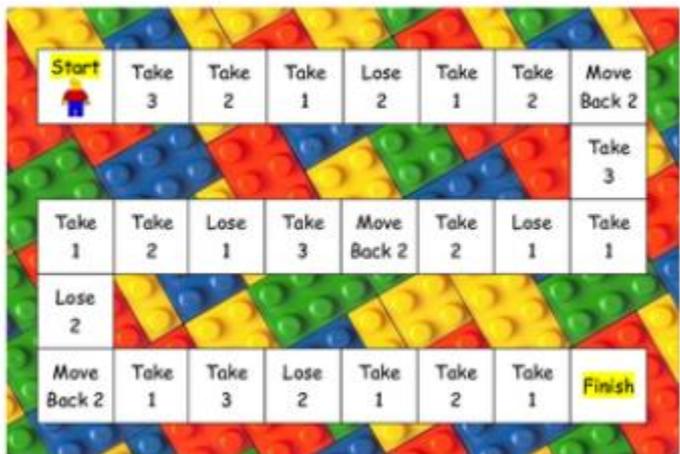

Using your Numicon, can you create the same number line, then count up and down.

What do you notice about the teen numbers? Which same Numicon piece do you use for each teen number?

Yellow group
Maths
Challenge 3

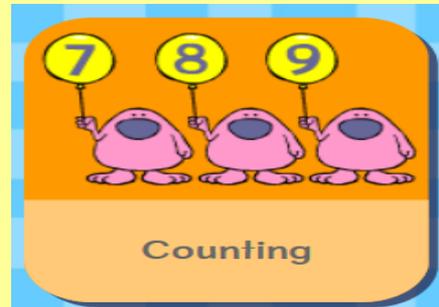

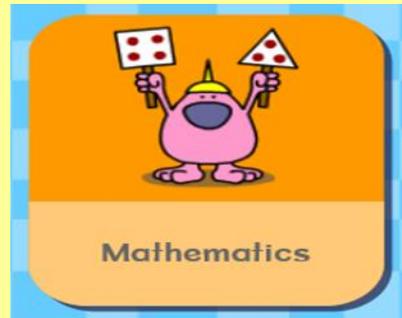

Play one of the number games in your school pack.

English

We are learning to find out information.

English

Follow the link and watch the above short film

[You Tube The Bridge disney](#)

English

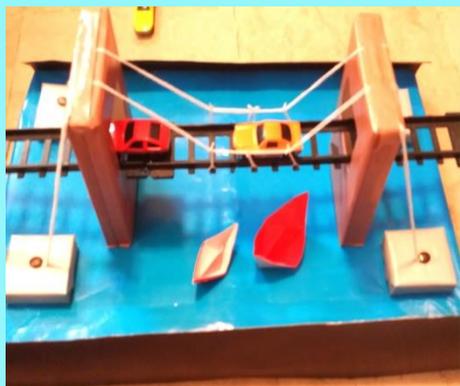

Answer the following questions about the clip and write in full sentences.

1. Why is the short film called the Bridge?
2. Can you name the characters of the short film?
3. Can you describe what the characters are trying to do?
4. What happened half way through the short film that surprised you?
5. How do you think the racoon and rabbit felt at the end of the story?
6. If you could give the bear and elk some advice to help them cross the bridge, what advice would you give?

English

Make a bridge using materials you have at home.

Phonics

Complete pages 14 and 15 in Phonics booklet 2
to learn the alternative 'c'

ART

What do you look forward to doing once Lockdown is lifted?

- Local estate agents, Langford-Rae are running an Art competition. To enter they would like you to draw a picture or make a piece of art showing what you are most looking forward to doing once the lockdown is lifted. Entries should be on A4 size card/paper and in landscape format.
- To submit your entry you will need to ask a parent/guardian to take a photo of your finished artwork and ask them to email it to chelsfield@langford-rae.co.uk with your name, age and school. All entries need to be submitted before 5 pm, Sunday 24th May
- The winning artwork will be published on their website and displayed at a later date in the [Chelsfield Land-Rae](#) office window. The overall winner will also receive a [Hobbycraft](#) gift voucher worth £25.00.
- See full terms and conditions in separate pdf link
