This week we will be looking at doors and thinking, 'What could be on the other side?'

We will be following a booklet which is structured around some of the techniques we have been using in English this year to create ideas and then record them on paper.

By the end of the week, you will have a plan for your own portal story (a story in which a character is transported to a magical land through a special doorway).

You can access the booklet via this link:
