For today and tomorrow, we will write a portal story based on the work you did on 'doors' before half term.
You may choose which story you write up:

- 1) The story you planned before half term
- 2) A new story you have created
- 3) The story I will plan

It will not be a long story but we must try to make it as exciting and interesting as possible.

Captain Tory

He swung his lantern three times
and slowly the schooner appeared.

Remember: you can use the story you planned before half term; create a new one; use my plan.

Pattern of the story	Mr Atkinson's plan based on Captain Tory
Main character (MC) finds magical portal and enters new world	Boy (Billy, 12) grabbed by Captain Tory and Billy is told he is the Captain's only chance of survival. Sail off into a fog; Billy passes out.
Describe new world	When Billy awakes, boat is sailing through clouds. Clouds act like an ocean.
MC explores new world and encounters a problem	Billy told he must find a special potion. The Captain takes Billy to a mountain in the sky which Billy must climb to find the potion.
MC has to escape and return through the portal	Billy finds potion but the mountain is actually a volcano and starts to erupt (potion was keeping the volcano quiet). He makes it back to the ship and the Captain takes him home.
MC cannot find portal again	Billy often returns to the docks but Captain never returns.

Remember: you can use the story you planned before half term; create a new one; use my plan.

Pattern of the story	You can plan your own story if you would like to
Main character (MC) finds magical portal and enters new world	
Describe new world	
MC explores new world and encounters a problem	
MC has to escape and return through the portal	
MC cannot find portal again	

For today, try to write the first 2 parts of the story.

Physical activity - minimum 30 minutes each day	Link to resource

Go for a walk/run.

You must go with an adult from your home and make sure you stay 2 metres away from other people.

Starting Secondary School

We need to start thinking about Secondary School.

To start off, I would like you to have a think about how you are feeling about it. When you think about Secondary School what do you feel?

I would like you to think about 3 questions:

- What are you excited about?
- What are you worried about?
- What don't you know but wished you did?

It doesn't need to be today, but when you have a question or answer, email me. I will gather together the questions and answers and we will think about and discuss them. I will find a way that we can share all our questions with each other and we will share the answers.

We will be looking at other tasks each week about Secondary schools so you anytime you have a question email me.

Pick a character from the link below and have a go at drawing it. If you can, email a picture in to yearsixlearning@Farnborough.Bromley.sch.uk and I will put them on the website for us all to enjoy.
