Day 3

English

Finish the sentence

★ **Using your knowledge of the target words below, finish the sentence so it makes sense.**

Disneyland is **renowned** for

Spies often wear a **disguise** so

There is a **multitude** of wildlife in the countryside, such as

The **budding** popstar appeared on

★ **Challenge: Now write some sentences using any of our new words. I have done one for you:**

The driver did some interesting manoeuvres whilst trying to park.

Challenge!

★ Are there any other words you don't know the meaning of? Can you find out the definition? You could ask someone else in your home to tell you, use a dictionary or search the internet. On a separate piece of paper, try and think up an image that represents what they mean and then use the words in a sentence.

What does cacophony mean?

cacophony

- a harsh discordant mixture of sounds.

Wizard words

★ **Let's have some fun with words. To cast a spell, you need wizard words. Take a look at these:**

'Explode-ium' 'Farm-ius' 'Shade-iorum' 'Pen-iosa' 'Sprint-lorus'

These are everyday words turned into wizard words by adding a 'spell' ending. You say the endings like this:

How it is spelt:	How you say it:
-ium	ee-um
-ius	ee-us
-iorum	ee-or-um
-iosa	ee-oh-sa
-lorus	law-us

So, for Explode-ium, **you would say** Explode-ee-um. **Have a go at saying the wizard words now:**

'Explode-ium' 'Farm-ius' 'Shade-iorum' 'Pen-iosa' 'Sprint-lorus'

Your challenge is:

- ★ **Choose an everyday word from group 1.**
- ★ **Match your word with any ending from group 2.**
- ★ **Write it in the table below and say your new words aloud.**

Group 1			Group2
explore	read		-ium
match	care		-lorus
pat	exceed		-iosa
lamp	coat		-iorum
board	zip		-ius

The wizard word game

New wizard words for spells:	

★ **Challenge:** **Now write some spells! String THREE wizard words together and don't forget to separate them with a comma to make a list. This creates your spell. Now practise saying your spells aloud. We always say the third word the loudest, so end with an exclamation mark to show this. For example:**

Farm-ius, Shade-iorum, EXPLODE-IUM!

Day 3

Maths

HOME Challenge Sheet

This weeks challenges have two things in common – they are all based around the house and you will have to move to do them!

Today you will do questions – 7, 8 and 9. Enjoy! Look at the 'Help Tool' page to watch videos that could help you answer todays questions.

HOME Challenge Sheet

Year 5 and 6

MATHS on the MOVE

1 How many handles?

Count all of the door handles in your house.

What fraction of the handles have locks?

2 Odd socks

Take three different pairs of socks (6 socks in total).

How many new pairs of socks can you make from the 6 socks you have?

3 Stop the clock star jumps

Use a stopwatch to time yourself doing 15 star jumps. Have five attempts and record the times.
What was the fastest time?

What was the difference between the fastest and slowest time?

4 How long?

Estimate the length of a room in your house.

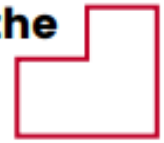
Now measure it.
How close were you?

5 Always read the label!

Take a box/packet of food. Add up every number on the packet.

Check your answer with a calculator!

6 Find the area



Measure the area of the smallest and largest rooms in your house.

Smallest

Largest

What is the difference between your answers?

7 Count and multiply +X

Count each of the following in your house: chairs, doors, cupboards, windows, pillows, spoons, clocks and shoes.
Now multiply the following pairs together.
Before you begin counting - which calculation do you think will have the largest total?

Chairs x Doors

Cupboards x Windows

Pillows x Spoons

Clocks x Shoes

8 Prime number hunt

How many prime numbers are written around your house?

What is the largest prime number you can find?

9 Paper aeroplanes

Design and create three paper aeroplanes. Record the distance each plane flies and see which one flies the furthest.

Plane 1

Plane 2

Plane 3

What was the difference in cm between the three distances?

10 Maths on the Move number trail

Download and cut out the question cards and follow the answers around the house. Download.

Can you help to create a wellbeing activity calendar?

***It was lovely to see you all in our Zoom meetings last week. In our PHSE lesson we had a quick look at the Wellbeing Calendar posted on our learning page*. Take a look at it, if you haven't already.**

We all have times in this different and difficult period where we get bored or fed up or feel worried. So we think it would be nice to come together again as a class and are asking for your suggestions for activities as "mood-boosters."

Have a think and it would be lovely if everybody made a suggestion…….

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Give a gold star Create a star template and each family member writes one for each other. Have some examples such as – "I give you a gold star for always making me laugh."	**Enter Britain's Funniest Family** Share your original, funniest video and take part in the ultimate challenge for Britain's Funniest Family. This can be your funniest song, dance, joke or prank.	**Learn a new language...** Or at least 5 words! Decide on a language for the day and learn the words for hello, thank you, and any others you want to know. Tip: Give a prize to whoever can remember the most words the next day.	**Silly Stories** Each person has to say or type one line as you make a silly story together. Tip: Go round in order of youngest first to avoid everyone speaking at the same time.	**Three Good Things** Write down 'three good things' that have happened this week. For each thing, think about how it made you feel and why. These could be anything from - I've worn my favourite slippers all week to I baked a great cake.
Start with a stretch Kick off your week with some stretching. Starting from the head, go down the body stretching out each part. Roll your neck, wiggle your fingers and rotate your arms...	**Play our quarantine quiz** Find out which quarantine character you are by taking part in our fun online quiz. This can be a fun way to keep your minds off the news.	**Write a letter** Write letters to other family members or draw them pictures to show that you're thinking of them. You could post them if you're able to, or show them over video call.	**Quiet time** Play some calming music and ask everyone to close their eyes and listen. Try to focus on your breathing. Tip: Try some yoga exercises or stretches with the music.	**Get your body moving!** Play a song for a few minutes, to shake off the tension and have a dance. Tip: Use this time to practice your funniest family dance!
Make a playlist Everyone in your family picks an uplifting song. Then send the finished playlist to everyone so they can play it during the day. Tip: you can use our playlist for inspiration.	**Design a superhero** Use our design a superhero activity to create your own super powers. Tip: sign up to #HelloYellow on our website to get more great resources like this.	**Jumping Beans** When someone shouts out a type of bean, everyone else has to do the action below. Baked bean: crouch down into a ball, Runner bean: run on the spot, Jumping bean: jump up and down, Magic bean: freestyle move!	**I am grateful** Write, or draw three things you are grateful for. Tip: You could extend this by creating a 'gratitude tree'. Use the mural app so that each family member can add theirs on a virtual post-it.	**Plan your weekend** Create an itinerary with timings for your weekend – including things like lunchtime, movie night, crafty activity, read my book, make dinner.
Share some coping tips Some of you may be feeling anxious about the news. Share this blog with your older children, or explain this to younger members of the family.	**Make a self-soothe box** This can be a great way for the family to feel grounded when feeling anxious. Put sensory things in the box like playdough and peppermint. Tip: Read our blog to help you.	**Have a good news day** Find three positive news stories online or follow three positive news accounts on social media like The Happy Broadcast or The Happy Newspaper. You can also #OwnYourFeed with YoungMinds.	**Funniest family song!** Put on any song and have a sing along together. Tip: you can find the lyrics to almost any song on YouTube.	**Have a rest day** Sometimes we can feel pressured to be productive while we're all at home. But it's important to rest and look after ourselves. What is the family doing for self-care this weekend?

Your suggestions for mood-boosting activities might be:

Funny, to make you & your family laugh

Something new for your classmates to try

Creative

Help you get fitter or more skilled in a sport

Teach a new skill

A kind deed for someone else

Who will be the best people to know a great mood-booster for your age group?

YOU!

Some tips:

Fun!

Easy for everyone to try, no expensive equipment, skill needed.

Email in your ideas to your teacher or be ready to share in our next PHSE Zoom

Can be tried at home or completed within the rules of the lockdown

Computing – This is a link to a coding site.

https://www.barefootcomputing.org/homelearning?mc_cid=b8b438bf50&mc_eid=9ff4c3e8aa

Use this or An Hour of Coding to do your computing work.

Outdoor Home Learning

Star Gazing

Wait 'til darkness falls and head out into your garden or darken a room and watch from a window. Behold the cosmic dot to dot that is revealed. Try joining the dots to see pictures and tell stories just like the ancient Greeks did.

Open the link to investigate this further…
