

English – Day Two

Word work - prepositions

When writing about settings, you often want to tell the reader where things are and this is where prepositions are really useful. Look at these prepositions and prepositional phrases: *in the middle, next to, under, above, below* and *inside*.

*** Here are some sentences from the story. Circle all of the prepositions you can find. (Watch out! Some sentences have more than one preposition.) The answers are at the back of the booklet.**

- 1) Sammy began to explore and it wasn't long before a book, perched precariously on a high shelf, caught his eye.
- 2) Sammy found himself inside the trunk of a large tree.
- 3) In the middle of the room, a magnificent feast was laid out on a large woven willow table.
- 4) In the centre was an enormous cake covered in rainbow icing and on the top over a hundred candles burned brightly.

Now you have a go... can you write 3 sentences that includes a preposition?

10 things found in a Tree Goblin's suitcase

One thing all goblins have in common is that they love to collect things. Tree Goblins collect things in suitcases but other goblins collect things in knapsacks, baskets or bags.

- * Have a look at this picture of Treerumple's suitcase.
- * What can you see inside it?

Thank you @clairewiththeredhair for the images

This suitcase is made out of a matchbox. Can you make a basket, box, bag or suitcase for your goblin – what will you find or make to put in it? If you can't make it, you could draw and label a picture.

Tuesday 23rd June 2020 - WALT: Use line graphs.

Line graphs

- a) How many kilometres has Holly travelled after 30 minutes?
Holly has travelled kilometres after 30 minutes.
- b) How many kilometres has she travelled after 90 minutes?
Holly has travelled kilometres after 90 minutes.
- c) How long did it take Holly to travel 45 kilometres?
It took Holly minutes to travel 45 kilometres.
- d) The total length of the journey was 80 kilometres.
It took Holly minutes to complete the journey.

2

a) What was the length of the shadow at 8:30 am?

The shadow was cm at 8:30 am.

b) When was the shadow 30 cm?

The shadow was 30 cm at _____.

3

Complete the sentences.

The shadow was the longest at _____. It was cm long.

The shadow was the shortest at _____. It was cm long.

The shadow was the same length at both _____ and _____.

5

Distance travelled during a car journey

Car journey

Time	30 minutes		90 minutes	120 minutes	150 minutes
Distance		45 miles			

- a) Complete the table and the axes on the line graph.
- b) When was the car stuck in a traffic jam? Explain your answer.

CHALLENGE

Carnival of the Animals

An Art festival

For the next few weeks we are going to run a series of art lessons based around animals.

So whether you are working at home or in school you can create some great pictures. We would like to fill the Farnborough Art Gallery with your work to create a "Carnival of the Animals."

If you are home learning, you can scan your work and send it in to your teacher.

Good luck, have fun and we want you to be creative, so if you have your own ideas we would love to see your artwork!

African Sunsets

And Silhouettes

1. Choose your animal

Africa is a huge continent of 54 countries and different physical regions. National parks and game reserves are home to thousands of different species. Think about which one you want in your picture.....

A silhouette is the outline of a shape. You don't need to add the details.

More ideas to get those great brains thinking creatively.....

2. Make your beautiful African Sunset

What can I use?

- Watercolours
- Pastels
- Colouring pencils
- Homemade ink from very diluted red/orange/yellow food colouring!

Miss Pattison will show you how to do this on Zoom on Tuesday afternoon. You are all invited! Looking forward to seeing you!

What can I do if I can't make the Zoom?

Use yellow and red paint.

- Paint a thick, yellow stripe horizontally across the bottom of the paper.
- Then use a small amount of red paint to paint across the page and blend into the yellow. You will make orange where the two paints mix.
- Then do a sweep of red paint.
- Mix the colours as you sweep across so that you don't end up with separate strips of colour.

No problem! Use these instructions!

3. Drawing your animals. You have different options.....

You could draw your animal freehand, cut it out and stick on your sunset, once dry.

Or wait for your sunset to dry then draw straight on. Practise drawing your animal whilst your sunset drying.

Or if you are finding drawing animals tricky, use one of the animals from the templates attached on your learning page or from the previous slides.

Once your main animal is on the paper, you just add details such as grasses and a tree .

You could add more animals to create a scene. It's up to you!

**Enjoy your art
this afternoon!**

All About African Music

African Music

The continent of Africa has lots of different types of music. People play lots of different instruments that make a range of sounds.

African Drums

Drumming is an important part of African music. Click to hear the sounds made by these drums.

Dumbek

Djembe

Tuned African Instruments

Here are some of the instruments that create the melodies in African music.

Oud

Mbira

Marimba

Traditional African Music

Here are some examples of music from the different regions. Can you hear any of the different instruments in the music?

Try clapping to the rhythm or the beat of the music.

Why not click on the African Safari music link below and listen to some African music whilst you are completing your Art?
