

Make a Scarecrow

twinkl

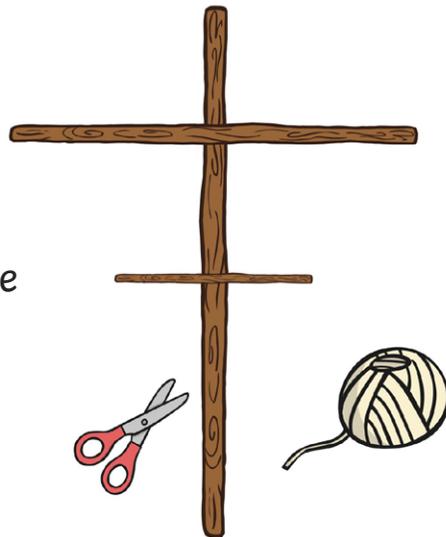

Materials and equipment:

- 1 sturdy 2m stick
- 1 sturdy 1m stick
- 1 sturdy 30cm stick
- old shirt
- old trousers
- a hat
- old pair of tights
- scissors
- string

1. Make a frame

Tie the 1m stick to the 2m stick about 15cm from one end in a cross shape. Then tie the smaller stick in the same way about half way down. This is the frame for your scarecrow.

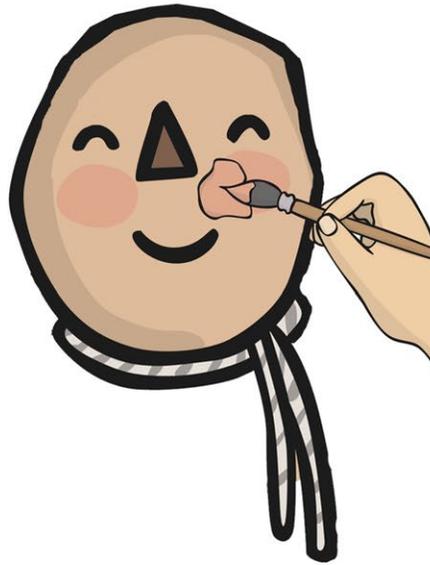

2. Make a head

Cut one leg off from the pair of tights and then fill with some straw. Push the straw firmly to the end and make it into a head shape. Tie a piece of string around the end of the tights to stop the straw from falling out.

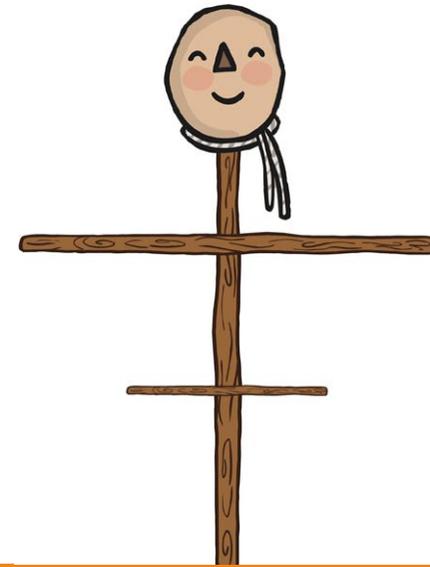

3. Make a face

Paint a funny, scary or happy face on the scarecrow head. You could make some glasses or maybe even a beard.

4. Tie the head onto the frame

5. Put the old shirt and trousers on your scarecrow to dress him.

6. Stuff with straw

Tie off the bottom of the legs of the trousers with string and stuff them with straw. Then button up the shirt and tie the ends of the arms with string, and stuff the shirt with straw.

7. Put on his hat and push some straw underneath to make it look like hair. Then place your scarecrow outside.
