

A vibrant cartoon illustration of a forest scene. In the foreground, a small, light-brown mouse with a long tail is walking along a dirt path. To the right, a large, brown bear with horns and tusks stands next to a birch tree, looking towards the mouse. The bear has a black collar with white teeth-like decorations. The background features a lush green forest with tall evergreen trees, a butterfly, and several large grey rocks. The overall scene is bright and cheerful.

Carnival of the Animals

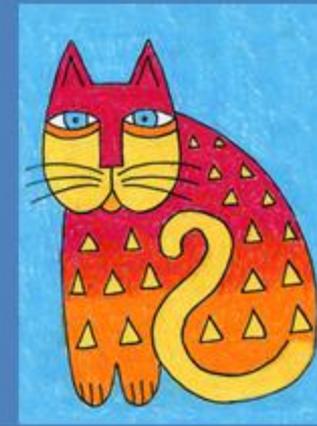

An Art festival

For the next few weeks we are going to run a series of art lessons based around animals.

So whether you are working at home or in school you can create some great pictures. We would like to fill the Farnborough Art Gallery with your work to create a "Carnival of the Animals."

If you are home learning, you can scan your work and send it in to your teacher.

Good luck, have fun and we want you to be creative, so if you have your own ideas we would love to see your artwork!
