Dear Parents/Carers,

Re: Permission to access school Zoom Classes

Please be advised that from next week we are planning for teachers to introduce some zoom classes and interactions to those children currently studying at home. Teachers will be based at school whilst conducting these lessons and have another adult present for the duration of the lesson or interaction.

Can we ask for you you to confirm on the slip below if you are happy for your child to access the school business zoom account to attend their class scheduled meetings and also permission for your child to be seen by the other children joining in.

If we do not receive the signed slip back from you by 3.30pm on Friday 5 June 2020 your child will not be able to join in these classes.

When we receive your reply slip, we will send you further details about the lessons, dates and times, code of conduct and online safety documents. These will need to be signed and returned too.

Yours sincerely

Miss James
Head Teacher
